# Acknowledgements

The World Health Organization (WHO), Department of Maternal, Newborn, Child & Adolescent Health & Ageing (MCA), Ageing and Health (AAH) unit would like to extend its warmest thanks to everyone who attended the meeting online and provided contributions to the work of the Consortium (see the Annex for the full list of participants).

It would like to acknowledge the key partners and organizations that have provided resources to advance the CCHA agenda: the Government of Kanagawa Prefecture, Government of Japan, Government of Germany and the Universal Health Coverage Partnership (the UHC Partnership is funded by the governments of Belgium, France, Ireland, Japan, Luxembourg, the United Kingdom, and the European Union and WHO).

WHO gratefully acknowledges the in-kind support of the WHO Collaborating Centre for Frailty, Clinical Research and Geriatric Training, G rontop le – Toulouse University Hospital; WHO Collaborating Centre for Public Health Aspects of Musculo-skeletal Health and Ageing, University of Li ge.

This report was written and edited by Kai Lashley (Further Consulting), with technical inputs from Yuka Sumi from the WHO Department of MCA.
