Cataloguing-in-Publication (CIP) data. CIP data are available at <http://apps.who.int/iris>.

Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <https://www.who.int/about/policies/publishing/copyright>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

UNICEF and WHO Photographs. UNICEF and WHO photographs are copyrighted and are not to be reproduced in any medium without obtaining prior written permission. Permissions may be granted for one-time use in a context that accurately represents the real situation and identity of all human beings depicted. UNICEF and WHO photographs are not to be used in any commercial context; content may not be digitally altered to change meaning or context; assets may not be archived by any non-WHO or non-UNICEF entity. Requests for permission to reproduce UNICEF photographs should be addressed to UNICEF, Division of Communication, 3 United Nations Plaza, New York 10017, USA (email: nyhqdoc.permit@unicef.org). Requests for permission to reproduce WHO photographs should be addressed to: <http://www.who.int/copyright>

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO or UNICEF concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO or UNICEF in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO and UNICEF to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO or UNICEF be liable for damages arising from its use.

Acknowledgements

The WHO department of Maternal, Newborn, Child and Adolescent Health and Ageing (MCA) and UNICEF Health Division gratefully acknowledge the contributions of many individuals and institutions to the preparation of this document.

Special thanks go to the experts who participated in and contributed to a meeting on redesigning child and adolescent health programmes in the context of the Sustainable Development Goals in January 2019, who are listed in Annex 1.

We acknowledge the contributions of the WHO and UNICEF child health redesign working team, who led and supported drafting, review and finalization of the document. Staff members in the WHO Child Health Redesign Core: Rajiv Bahl, Valentina Baltag, Anshu Banerjee, Geoffrey Bisoborwa, Betzabe Butron Riveros, Bernadette Daelmans, Aigul Kuttumuratova, Ornella Lincetto, Priya Mannava, Rajesh Mehta, Allisyn Moran, Min Hye Park, Sano Phal, Anayda Portela, Khalid Siddeeg, Marcus Stahlhofer, Martin Weber and Wilson Were; WHO interdepartmental working group: Heather Adair-Rohani, Avni Amin, Andrea Bosman, Annemieke Brands, Marie Noel Brune Drisse, Alexander Butchart, Shelly Chadha, Alarcos Cieza, Tarun Dua, Tracey Goodman, Laurence Grummer-Strawn, Qudsia Huda, Richard Johnston, Pauline Kleinitz, Jostacio Lapitan, Laura Nic Lochlainn, David Meddings, Silvio Mariotti, Margaret Montgomery, Martina Penazzato, Lisa Rogers, Nathalie Laure Roebbel, Chiara Servili and Carolyn Vickers; and UNICEF Health Programme Team: Anne Detjen, Raoul Bermejo, Rory Nefdt, Aline Simen Kapeu, Maureen Kerubo Momanyi and Sarah Thomsen. We also acknowledge and thank all WHO and UNICEF staff in the regions and countries who reviewed and provided comments.

Special thanks are due to the lead authors of the background papers, Zulfiqar Bhutta, The Hospital for Sick Children, Toronto, Canada; Alarcos Cieza, WHO Department of Noncommunicable Diseases; Diana Estevez, Consultant, Ecuador; Regina Guthold and Kathleen Strong, WHO MCA; Mira Johri, University of Montreal, Canada; Zeina Maalouf, Consultant, USA; Mark Tomlinson, Stellenbosch University, South Africa; and Danzhen You, Division of Data, Research and Policy, UNICEF.

Development of this document was coordinated by Wilson Were, Bernadette Daelmans and Anne Rerimoi, a consultant.

We acknowledge financial support for preparation and convening of the meeting from the Bill & Melinda Gates Foundation, Investment Grant No. OPP1163037 for Redesign of Global Guidance on Care for
