ACKNOWLEDGEMENTS

This implementation brief is the result of collaboration between the WHO Department of Global HIV, Hepatitis and STI Programmes and the WHO Department of Sexual and Reproductive Health and Research. The brief was conceived of at a WHO meeting of ministries of health and technical partners representing FP, HIV and STI Programmes in high HIV burden settings in December 2019. At this meeting participants shared experience and ideas that contributed to the structure and content of the brief.

Magdalena Barr-DiChiara, WHO consultant, was the main technical writer. The development of the document was coordinated by **Rachel Baggaley** (Department of Global HIV, Hepatitis and STI Programmes) and **Mary Lyn Gaffield** (Department Sexual and Reproductive Health and Research). Contributors from WHO headquarters included **James Kiarie** (Department of Sexual and Reproductive Health and Research), **Cheryl Johnson** (Department of Global HIV, Hepatitis and STI Programmes), **Morkor Newman Owiredo** (Department of Global HIV, Hepatitis and STI Programmes), **Michelle Rodolph** (Department of Global HIV, Hepatitis and STI Programmes) and **Petrus Steyn** (Department Sexual and Reproductive Health and Research). Contributors from regional offices included **Nancy Kidula** (WHO Regional Office for Africa). Jura Editorial Services edited the text. Design and layout of the implementation brief was provided by L'IV Com Sarl.

Implementation examples were developed with assistance from: **Nathalie-Ann Donjon** (Triggerise), **Hamufare Dumisani Mugauri** (Ministry of Health and Child Care, Zimbabwe), **YuHsin Huang** ((International Planned Parenthood Federation), **Karin Hatzold** (Population Services International), **Annet Kyarimpa** (Reproductive Health Uganda), **Daniel McCartney** (International Planned Parenthood Federation) and **Jesse Njunguru** (Triggerise).

The following individuals provided their expertise in external review: **Taryn Barker** (Children's Investment Fund Foundation), **Matteo Cassolato** (Frontline AIDS), **Thato Chidarikire** (National Department of Health, South Africa), **Nathalie-Ann Donjon** (Triggerise), **Alison Drake** (University of Washington), **Hamufare Dumisani Mugauri** (Ministry of Health and Child Care, Zimbabwe), **Karin Hatzold** (Population Services International), **Eva Lathrop** (Population Services International), **Jennifer Mason** (United States Agency for International Development), **Daniel McCartney** (International Planned Parenthood Federation), **Mary Mugambi** (Ministry of Health, Kenya), **Gathari Ndirangu** (Pathfinder International), **Melanie Pleaner** (Wits Reproductive Health and HIV Research Institute), **Sally Shackleton** (Frontline AIDS), **Hege Wagan** (UNAIDS), **Rose Wilcher** (FHI 360) and **Vincent Wong** (United States Agency for International Development).

The **Children's Investment Fund Foundation** contributed to funding this brief.

ABBREVIATIONS

ART	antiretroviral therapy
FP	family planning
HIVST	HIV self-testing
HTS	HIV testing services
