ACKNOWLEDGEMENTS

The Global HIV, Hepatitis and Sexually Transmitted Infections Programmes (HHS) at the World Health Organization (WHO), Geneva, are grateful and would like to thank all individuals and organisations that contributed to the development of this document to make it relevant and responsive to the global public health needs in the area of sexually transmitted infections.

We appreciate the overall support of representatives of ministry of health, partners, donors, experts, community representatives, and staff members from regional offices who participated in the meeting. Meg Doherty, Director, WHO

Global HIV, Hepatitis and Sexually Transmitted Infections Programmes gave overall technical leadership and direction to the process. Other Secretariat staff who worked closely on organising and conducting the meeting and documenting the outcomes are Teodora Wi, Andy Seale, Melanie Taylor and Yamuna Mundade. WHO is grateful for the technical review, expert comments and edits provided by Francis Ndowa, expert peer-reviewer who provided support in editing this report.
