Abbreviations	v
1. Methodology	1
2. Context and considerations	2
3. Regulatory approvals and certifications	3
4. Technical specifications for procurement	4
References	7
Selected further reading	8
Annex 1. Tables of standards and values: respirators; medical face masks; isolation and surgical gowns; medical examination gloves (non-sterile); surgical gloves (sterile) (not exhaustive)	9
Annex 2. Checklists: respirators; medical face masks; isolation and surgical gowns; medical examination gloves (non-sterile); surgical gloves (sterile)	12

Acknowledgements

We are grateful to World Health Organization (WHO) consultants Ying Ling Lin and Erol Ozbakir, for drafting the technical specifications and the standards and checklists.

Input is acknowledged from the following members of the Technical Advisory Group of Experts on Personal Protective Equipment (TAG PPE), specifically group 1 on standards, technical specifications and quality assurance: Faisal Al Shehri, Razan Asally, Ehab Atia, Patricia Ching, Nagwa Hasanin, Emilio Hornsey, Ayse Ayzit Kilinc, Selcen Kilinc-Balci, Melissa Leavitt, Claudio Meirovich, John McGhie, Alison Syrett, Nasri Yussuf. All members of TAG PPE provided Conflict of Interest declarations, which were reviewed by WHO and no conflicts of interest were found.

Revision, technical input and alignment to WHO guidelines and guidance was received from the following WHO staff (including from the Pan American Health Organization, South-East Asia Region, European Region and Eastern Mediterranean Region): April Baller, Antoine Delaitre, Murilo Freitas, Bruce Gordon, Tifenn Humbert, Agnes Kijo, Alexandre Lemgruber, Fernanda Lessa, Ismail Mohamed, Houda Langar, Madison Moon, Adriana Velazquez.

The project was coordinated by Adriana Velazquez, Lead for Medical Devices and In Vitro Diagnostics, Policy, Norms and Standards, Medicines and Health Products, World Health Organization, Geneva, Switzerland.

Special thanks to copyeditor Vivien Stone (Etchingham, United Kingdom of Great Britain and Northern Ireland).

Abbreviations

AQL	acceptance quality limit
CE	Conformité Européenne
CFU	colony forming unit
EU	European Union
FDA	Food and Drug Administration (USA)
FSC	free sales certificate
IB	barrier index
ILAC	International Laboratory Accreditation Cooperation
IPC	infection prevention and control
ISO	International Organization for Standardization
NIOSH	National Institute for Occupational Safety and Health (USA)
NMPA	National Medical Products Administration (China)
OSHA	Occupational Safety and Health Administration (USA)
PPE	personal protective equipment
RQL	rejectable quality limit
TAG PPE	Technical Advisory Group of Experts on Personal Protective Equipment
WHO	World Health Organization
