<b>Executive summary</b>	<b>7</b>
<b>1. Introduction</b>	<b>9</b>
1.1. Purpose	9
1.2. Scope	9
1.3. Responses to survey	9
<b>2. Methods</b>	<b>11</b>
2.1. Survey	11
2.1.1. Survey design	11
2.1.2. Survey and data administration	11
2.1.3. Data analysis	11
2.1.4. Scoring of capacities	11
2.2. Limitations of the survey	12
<b>3. Results</b>	<b>13</b>
3.1. Status of national pandemic influenza preparedness plans	13
3.1.1. Existence of plan	13
3.1.2. Development and update of plans	13
3.1.3. Public availability of plans	14
3.1.4. Simulation exercises to test plans	15
3.1.5. Awareness and use of WHO guidance documents	15
3.2. Key capacities in pandemic preparedness and response	17
3.2.1. Preparing for an emergency (planning, coordination and resources)	17
3.2.2. Surveillance (laboratory, epidemiology or event), investigation and assessment (risk and severity)	18
3.2.3. Health services and clinical management	22
3.2.4. Preventing illness in the community (pharmaceutical and nonpharmaceutical interventions)	27
3.2.5. Maintaining essential services and recovery	30
3.3. Capacity scores	31
3.3.1. Overall survey	31
3.3.2. Scores by capacity area	34
3.4. Suggestions from Member States	35
<b>4. Discussion and conclusions</b>	<b>37</b>
4.1. Priorities for strengthening	38
4.2. Awareness and application of WHO guidance documents	38
4.3. Value of conducting the survey	38

Fig. 19. Proportion of countries aware of and using WHO guidance for surveillance during an influenza pandemic	20

Fig. 20.	Proportion of countries with a plan for surveillance during an influenza pandemic	20
Fig. 21.	Number of countries with a plan for surveillance during an influenza pandemic	20
Fig. 22.	Proportion of countries aware of and using pandemic influenza severity assessment (PISA) tool	21
Fig. 23.	Number of countries implementing or planning severity assessment in influenza surveillance	21
Fig. 24.	Number of countries with SOPs for conducting systematic risk assessment for influenza using surveillance data	21
Fig. 25.	Number of countries with a health-sector business continuity plan	22
Fig. 26.	Number of countries with ready-to-use IEC materials on health seeking practices	22
Fig. 27.	Number of countries with arrangements for a national telephone helpline	22
Fig. 28.	Number of countries with established financing mechanisms to support essential health services	23
Fig. 29.	Proportion of countries with plans to cope with health-care facility and personnel surge capacity needs	23
Fig. 30.	Number of countries with plans to cope with health-care facility and personnel surge capacity needs	23
Fig. 31.	Number of countries with plans to protect health-care workers through priority pandemic influenza vaccination	24
Fig. 32.	Number of countries with an inventory of health-care facilities that can provide health services	24
Fig. 33.	Proportion of countries with a plan to manage excess mortality	24
Fig. 34.	Number of countries with a plan to manage excess mortality	25
Fig. 35.	Proportion of countries with a plan to ensure availability of essential medicines, medical supplies and devices	25
Fig. 36.	Number of countries with a plan to ensure availability of essential medicines, medical supplies and devices	26
Fig. 37.	Proportion of countries with a plan that addresses the role and responsibilities of the national regulatory authority	26
Fig. 38.	Number of countries with guidelines for patient management during an influenza pandemic	26
Fig. 39.	Proportion of countries with IPC guidelines and protocols in their established national IPC programme	27
Fig. 40.	Number of countries implementing routine seasonal influenza vaccination	27
Fig. 41.	Number of countries with a policy on priority groups for pandemic influenza vaccination during the early stage of a pandemic	27
Fig. 42.	Proportion of countries with a pandemic influenza national vaccine deployment and vaccination plan	28
Fig. 43.	Number of countries with a pandemic influenza national vaccine deployment and vaccination plan	28
Fig. 44.	Number of countries intending to apply regulatory pathways for the emergency use of pandemic influenza vaccines	28
Fig. 45.	Number of countries with a national pandemic influenza preparedness plan that specifies the use of pandemic influenza vaccine	29
Fig. 46.	Number of countries with mechanisms for securing access to pandemic influenza vaccine during a pandemic	29
Fig. 47.	Number of countries with a national strategy for the use of antiviral therapy during a pandemic	29
Fig. 48.	Number of countries with nonpharmaceutical public health measures specified in their national pandemic influenza preparedness plans	30

Fig. 49.	Number of countries with nationally established bodies to ensure continuity of essential public sector services during a pandemic	30
Fig. 50.	Number of countries with an established private sector coordination mechanism to ensure continuity of essential services during a pandemic	30
Fig. 51.	Number of countries with a recovery plan as part of the national pandemic influenza preparedness plan	31
Fig. 52.	Average and range of survey scores by region	31
Fig. 53.	Average and range of survey scores by income group	31
Fig. 54.	Average and range of scores for Part 1: <i>Status of national pandemic influenza preparedness plans by region</i>	32
Fig. 55.	Average and range of scores for Part 1: <i>Status of national pandemic influenza preparedness plans by income group</i>	32
Fig. 56.	Average and range of scores for Part 2A: <i>Preparing for an emergency by region</i>	32
Fig. 57.	Average and range of scores for Part 2A: <i>Preparing for an emergency by income group</i>	32
Fig. 58.	Average and range of scores for Part 2B: <i>Surveillance, investigation and assessment by region</i>	33
Fig. 59.	Average and range of scores for Part 2B: <i>Surveillance, investigation and assessment by income group</i>	33
Fig. 60.	Average and range of scores for Part 2C: <i>Health services and clinical management by region</i>	33
Fig. 61.	Average and range of scores for Part 2C: <i>Health services and clinical management by income group</i>	33
Fig. 62.	Average and range of scores for Part 2D: <i>Preventing illness in the community by region</i>	33
Fig. 63.	Average and range of scores for Part 2D: <i>Preventing illness in the community by income</i>	33
Fig. 64.	Average and range of scores for Part 2E: <i>Maintaining essential services and recovery by region</i>	33
Fig. 65.	Average and range of scores for Part 2E: <i>Maintaining essential services and recovery by income group</i>	33

---

## Acknowledgements

The World Health Organization (WHO) would like to sincerely thank all the participating Member States for their completion of the survey questionnaire on national pandemic influenza preparedness. A list of the participating Member States can be found in Annex 1.

The following WHO staff and consultants are gratefully acknowledged for their contributions to and support of this survey, as well as the completion of this report:

J. Abrahams, A. Abubakar, C. Alfonso, I. Bergeri, S. Briand, C.S. Brown, H. Chugh, P.M. Cox, D. Dixit, E.L. Dueger, A. Elkholy, M. Frost, I. Ghiga, P. Gould, B.L. Herring, M. Hegermann-Lindencrone, A.M. Huvos, M. Kato, Q.Y. Khut, J. Lamichhane, M. Maciejewska, M. Malik, A. Moen, C. Nannini, T. Nguyen, S. Olsen, R. Ostad Ali Dehaghi, R. Palekar, S. Rajatonirina, T. Resnikoff, B. Shrestha, G. Samaan, M. Samaan, O.G. Stucke, H. Utunen, K. Vandemaele, W. Zhang and W. Zhou.

## Abbreviations

AFR	WHO African Region
AMR	WHO Region of the Americas
EMR	WHO Eastern Mediterranean Region
EUR	WHO European Region
GIP	Global Influenza Programme
GNI	gross national income
HIC	high-income countries
IEC	information, education and communication
IPC	infection prevention and control
LIC	low-income countries
LMIC	lower-middle income countries
MoH	ministry of health
NDVP	national deployment and vaccination plan
PHEIC	public health emergency of international concern
PIRM	pandemic influenza risk management
PISA	pandemic influenza severity assessment
RCCE	risk communication and community engagement
SEAR	WHO South-East Asia Region
UMIC	upper-middle income countries
UN	United Nations
WHO	World Health Organization
WPR	WHO Western Pacific Region
