<b>Foreword</b>	<b>vii</b>
<b>Dedication</b>	<b>viii</b>
<b>Acknowledgements</b>	<b>x</b>
<b>List of assessment templates, tables, figures and boxes</b>	<b>xii</b>
<b>Abbreviations</b>	<b>xiv</b>
<b>Executive summary</b>	<b>xvi</b>
<b>Introduction</b>	<b>1</b>
<b>Leaving no one behind: adolescents and the Sustainable Development Goal target of universal health coverage</b>	<b>1</b>
<i>Adolescent health programming</i>	
<i>Adolescent health service equity</i>	
<i>Global guidance on adolescent health</i>	
<b>Overview of the Handbook for conducting an adolescent health services barriers assessment</b>	<b>3</b>
<i>Target audience</i>	
<i>Objectives</i>	
<i>Modules</i>	
<i>Meaningful adolescent participation</i>	
<i>The Tanahashi conceptual framework</i>	
<i>Social drivers of inequity</i>	
<i>Gender analysis</i>	
<i>Consideration of intersectionality</i>	
<b>National adaptation of the handbook</b>	<b>10</b>
<i>Policy and programming context</i>	
<i>Adaptation within a national review</i>	
<i>Focus on three health conditions/services</i>	
<i>Acting on assessment findings</i>	
<b>Limitations of the handbook</b>	<b>13</b>
<b>Module 1: Preparation for the assessment</b>	<b>15</b>
<b>1.1. National stakeholder inception meeting</b>	<b>16</b>
<i>National inception meeting participants</i>	
<i>Selecting three health conditions/services</i>	
<i>Appointing an assessment committee</i>	
<i>Technical and logistical guidance</i>	
<b>1.2. Assessment committee preparation</b>	<b>18</b>
<i>Allocating staff or contracting a consultant</i>	
<i>Ethical clearance</i>	

<b>Module 2: National key informant interviews</b>	<b>19</b>
2.1. National key informant interview protocol	20
<i>National key informant selection</i>	
<i>National key informant interview process</i>	
2.2. National key informant data analysis and reporting	24
<i>National key informant data processing</i>	
<i>National key informant data analysis</i>	
2.3. National key informant report components	24
<b>Module 3: Literature review</b>	<b>31</b>
3.1. Literature search	32
<i>First level of search</i>	
<i>Second level of search</i>	
<i>Third level of search</i>	
3.2. Document review	36
3.3. Literature review data analysis	38
3.4. Literature review report components	38
3.5. Assessment committee meeting	40
<b>Module 4: Quantitative data mining</b>	<b>41</b>
4.1. Overview of the quantitative data mining	42
<i>Analysis of health indicators by equity stratifiers</i>	
<i>Logistical and technical challenges</i>	
4.2. Data sources	44
4.3. Indicators and equity stratifiers	46
4.4. Quantitative data analysis	47
4.5. Data mining case-study: sexual and reproductive health services	50
4.6. Data mining case-study: general health services	52
4.7. Data mining report components	53
4.8. Assessment committee meeting	54
<b>Module 5: Subnational qualitative research</b>	<b>55</b>
5.1. Overview of the subnational research	56
5.2. Planning for subnational research	58
<i>Subnational site selection</i>	
<i>Logistical arrangements</i>	
5.3. Subnational key informant interviews	59
5.4. Focus group discussion preparation	59
<i>Focus group discussion composition</i>	
<i>Focus group discussion participant recruitment</i>	
<i>Informed consent and assent, and parental permission</i>	

5.5. Focus group discussion and follow-up interview protocol	63
<i>Focus group discussion setting and approach</i>	
<i>Focus group discussion questions</i>	
<i>Conducting follow-up interviews</i>	
5.6. Focus group discussion and follow-up interview data processing	67
5.7. Subnational qualitative data analysis	67
5.8. Subnational qualitative report components	69
<b>Module 6: Reporting of findings and potential actions</b>	<b>71</b>
6.1. Synthesizing findings and drafting the preliminary report	72
6.2. Small technical meeting to identify potential actions	73
<i>Global guidance on evidence-based programming</i>	
<i>Technical meeting participants</i>	
<i>Technical meeting objectives, process, and outputs</i>	
<i>Engagement at the subnational level</i>	
6.3. Assessment report components	76
<b>Module 7: National stakeholder workshop to review findings and plan actions</b>	<b>79</b>
7.1. National review workshop participants	80
7.2. National review workshop agenda and AHSBA report finalization	81
<b>Conclusion</b>	<b>85</b>
<b>Appendices</b>	<b>86</b>
1. Generic plan for a national adolescent health services barriers assessment	86
2. Top causes of adolescent morbidity and mortality	90
3. Glossary	94
4. Online quantitative databases for potential mining	98
5. Examples of health and health service indicators and equity stratifiers, by data source and age range	104
6. Examples of indicators of health, risk factors, and Tanahashi coverage dimension, by data source, dataset, and age range	108
7. Overview of evidence-based adolescent health interventions	114
