Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

The views expressed in this publication are those alone of the named authors and of the collective views of the group of international experts forming the WHO Clinical Consortium on *Healthy Ageing* and do not necessarily represent the decisions or the policies of WHO.

Cover: The painting used in this report, including as part of the cover photograph, is "Wet in Wet" by Gusta van der Meer. At 75 years of age, Gusta has an artistic style that is fresh, distinctive and vibrant. A long-time lover of art, she finds that dementia is no barrier to her artistic expression. Appreciated not just for her art but also for the support and encouragement she gives to other artists with dementia, Gusta participates in a weekly art class. Copyright by Gusta van der Meer. Acknowledgements

This report was prepared by Islene Araujo de Carvalho, John Beard, Yuka Sumi and Jotheeswaran Amuthavalli Thiagarajan from the Department of Ageing and Life Course of the World Health Organization (WHO). The department is grateful to medical writer and editor Markus MacGill of Green Ink for his assistance with the report's documentation and drafting.

The WHO Department of Ageing and Life Course would like to extend its warmest thanks to everyone who attended the meeting in Geneva and provided their invaluable, rich contribution to the work of the consortium (see Annex 1 for the full list of participants).

The World Health Organization (WHO) gratefully acknowledges the financial support and the support in

kind generously provided by the European Society for Clinical and Economic Aspects of Osteoporosis, Osteoarthritis and Musculoskeletal Diseases (ESCEO), the WHO Collaborating Centre for Frailty, Clinical Research and Geriatric Training, Gérontopôle, Toulouse University Hospital, France, the Government of Japan and by the Kanagawa Prefectural Government, Japan.

Finally, we wish to thank Suzanna Volk (Department of Ageing and Life Course, WHO) and Constance de Seynes (WHO Collaborating Centre for Frailty, Clinical Research and Geriatric Training, Gérontopôle, Toulouse University Hospital) for their administrative support.

Editing, design and layout were provided by Green Ink (<http://www.greenink.co.uk>).

Abbreviations

BMI	body mass index
CCHA	Clinical Consortium on <i>Healthy Ageing</i>
CRP	C-reactive protein
GDS	Geriatric Depression Scale
GP	general practitioner
HbA_{1c}	haemoglobin A _{1c}
ICCOPE	integrated care for older people
MNA	Mini Nutritional Assessment
MMSE	Mini Mental State Examination
SPPB	Short Physical Performance Battery
WHO	World Health Organization
