ACKNOWLEDGEMENT

The World Health Organization (WHO) would like to express sincere gratitude to all those who contributed to the development of the 'NAPHS for All' framework.

The framework was guided by the outcomes of a global review on the methodology and process of planning for health security in countries. Country level health planning experiences from the past one year have been main driving force to develop this framework and guidance to facilitate health security planning in countries.

WHO developed this document with the support of member countries, partners and all the regional offices and other departments of WHO headquarters.

This document was finalized by Dr Nirmal Kandel, Dr Lucy Boulanger, Dr Jostacio Lapitan, Dr Qudisia Huda and Dr Stella Chungong, with contributions from their colleagues – Mr Jonathan Abrahams, Mr Frederik Copper, Dr Stéphane De La Rocque, Dr Rajesh Sreedharan, Mr Ludy Suryantoro, Mr Glen Lolong, Dr Benjamin Lane and Ms Romina Stelter – at WHO headquarters.

Special thanks go to Dr Ambrose Talisuna, Dr Ali Yahaya, Dr Antonio Oke, Dr Gyanendra Gongal, Mr Nicolas Isla, Dr Dalia Samhuri, Dr Roberta Andraghetti and Mr Vasily Esenamanov, for providing inputs from WHO regional offices.

WHO is grateful to the following partners who provided technical and financial assistance in the process:

- Food and Agriculture Organization of the United Nations (FAO)
- World Organization for Animal Health (OIE)
- Centers for Disease Control and Prevention (US CDC)
- Public Health England (PHE)
- Resolve to Save Lives
