## Acknowledgements

The *Global status report on road safety 2018* benefited from the contributions of a number of WHO staff and collaborators. Nhan Tran coordinated the writing of the report with contributions by Jeanne Breene, Meleckidzedek Khayesi, Rob McInerney, Anesh Sukhai, Tamitza Toroyan and David Ward. Kacem Iaych was responsible for data management and statistical analysis; Joëlle Auert was responsible for the legislation data management and analysis. Strategic direction on the report was provided by Etienne Krug.

Regional data coordinators were responsible for trainings, data collection and validation: Anneli Heimann and Martial-Manfred Missimikim (African Region), Alessandra Senisse (Region of the Americas), Rania Saad (Eastern Mediterranean Region and South-East Asian Region), Yongjie Yon (European Region), Maria Angela Pestaño and Whitney Skowronski (Western Pacific Region). Further support at regional level was provided by: Hala Sakr, Dinesh Sethi, Eugenia Rodrigues, Jonathon Passmore, Patanjali Nayar and Jatinder Pal Singh Chhatwal. WHO Representatives and staff at country level facilitated this work and their contribution is gratefully acknowledged. Other WHO staff who contributed include: Elena Altieri, Angelita Ruth Dee, Doris Ma Fat, Colin Mathers, Evelyn Murphy, Florence Rusciano, Zoe Brillantes and Teri Reynolds.

Country level data could not have been obtained without the invaluable input of: the National Data Coordinators (see Table A1 in the Statistical Annex); all respondents who participated in data collection and the country level consensus meetings; government officials who supported the project and provided official clearance of the information for inclusion in this report.

WHO also wishes to thank the following contributors whose expertise made this document possible: Adrienne Pizatella, Jennifer Ellis, Kelly Larson, and Kelly Henning from Bloomberg Philanthropies; Leslie Zellers for her support in reviewing and analysing legislative documents for the region of the Americas; Saul Billingsley, Lotte Brondum, Soames Job, Adnan Hyder, Rob McInerney, and David Ward, for serving on the advisory committee for this report; Abdul Bachani, Judy Fleiter, and Margie Peden, for review comments; Alejandro Furas and Jessica Truong for support on collecting and interpreting data on vehicle standards; Isaac Botchey for assisting with checking of country profiles; Claudia Adiazola-Steil, Matts-Ake Belin and Judy Williams for providing material for boxes; Eric Thuo for assisting with literature review on child restraints; Hal Inada
