For WHO Western Pacific Regional Publications, request for permission to reproduce should be addressed to Publications Office, World Health Organization, Regional Office for the Western Pacific, P.O. Box 2932, 1000, Manila, Philippines, Fax. No. (632) 521-1036, email: wpropuballstaff@who.int

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

ABBREVIATIONS

ACT	artemisinin-based combination therapy
AMTR	artemisinin monotherapy replacement
AS-MQ	artesunate-mefloquine
BVBD	Bureau of Vector-Borne Disease, Thailand
CHAI	Clinton Health Access Initiative
CMPE	Center of Malariology, Parasitology and Entomology, Lao People's Democratic Republic
CMS	Central Medical Store, Cambodia
CMSD	Central Medical Store Depot, Myanmar
CMSSD	Mandalay Central Medical Store Sub-Depot, Myanmar
CNM	National Center for Parasitology, Entomology and Malaria Control, Cambodia
DDF	Department of Drugs and Food, Cambodia
DHA-PPQ	dihydroartemisinin-piperaquine
DID	drug inventory database
EDAT	early diagnosis and treatment
FDA	Food and Drug Administration
FDD	Food and Drug Department, Lao People's Democratic Republic
GMS	Greater Mekong Subregion
GP	general practitioner
GSP	good storage practice
IMPE	Institute of Malariology, Parasitology and Entomology, Viet Nam
IDA	International Dispensary Association, Thailand
IRS	indoor residual spraying
ITNs	insecticide-treated bed nets
JICA	Japan International Cooperation Agency
JSI	John Snow Inc.
LLIHN	long-lasting insecticidal hammock net
LLIN	long-lasting insecticidal net
LMIS	logistics management information system
MC	malaria clinic
MIS	malaria information system
MMA	Myanmar Medical Association

MMW	mobile malaria worker
MPF	Myanmar Pharmaceutical Factory
MPSC	Medical Products Supply Center, Lao People’s Democratic Republic
MP	malaria post
MSF	Médecins Sans Frontières
NHQC	National Health Products Quality Control Center, Cambodia
NIMPE	National Institute of Malariology, Parasitology and Entomology, Viet Nam
NMCP	National Malaria Control Programme
AMT	oral artemisinin-based monotherapy
OD	operational district
ODK	Open Data Kit
ODPC	Regional Office of Disease Prevention and Control
PAMS	Provincial Anti-Malaria Station, Lao People’s Democratic Republic
<i>P.f.</i>	plasmodium falciparum
PHD	provincial health department
PHO	provincial health office
PMI	The United States President’s Malaria Initiative
PPM	Public–Private Mix
PSC	procurement and supply chain
PSI	Population Services International
PSK	Population Services Khmer, Cambodia
PSM	procurement and supply management
<i>P.v.</i>	plasmodium vivax
QA	quality assurance
QC	quality control
RAI	Regional Artemisinin-resistance Initiative
RDT	rapid diagnostic test
RSCS	Regional Supply Chain Strengthening
SOP	standard operating procedure
UNOPS	United Nations Office for Project Services
URC	University Research Council
USAID	United States Agency for International Development
USP	U.S. Pharmacopeial Convention
VBDC	Vector-Borne Disease Control Programme, Myanmar
VBDU	vector-borne disease unit
VHV	village health volunteer
VMW	village malaria worker
WHO	World Health Organization
