Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

Design and layout by Jean-Claude Fattier

ACKNOWLEDGEMENTS

The WHO JEE Secretariat would like to acknowledge the following, whose support and commitment to the principles of the International Health Regulations (2005) have ensured a successful outcome to this JEE mission:

- The Government and national experts of Thailand for their support of, and work in, preparing for the JEE mission (the Office of the Prime Minister, the Ministries (and their departments and divisions) of Agriculture and Agricultural Cooperatives, Defence, Education, Digital Economy and Society, Finance, Foreign Affairs Industry, Interior, Natural Resources and Environment, Public Health, Science and Technology, Tourism and Sports and Transport, the Healthcare Accreditation Institute, Coordinating Unit for One Health, national universities, the Office of The Attorney General, Ramathibodi Poison Center, Atoms for Peace, Royal Thai Police, the Thai Security Forces, Bangkok Metropolitan Administration, Suvarnabhumi Airport, Bangkok Port, Thailand One Health University Network, Thai Airways International Public Company, Bangkok Airways Public Company Limited.
- The governments of Bangladesh, France, Israel, Kenya, Sweden and the United States of America, for providing technical experts for the peer review process.
- The Food and Agriculture Organization of the United Nations and the World Organisation for Animal Health for its contribution of experts and expertise.
- The following WHO entities: the Thailand Country Office, the South East Asia Regional Office and Headquarters Department of Country Health Emergency Preparedness and IHR, who provided technical experts and supported the mission.
- Global Health Security Agenda for their collaboration and support.

Contents
