**Third-party materials.** If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

**General disclaimers.** The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

## Executive summary

### 1. Introduction

### 2. Developing the report

### 3. Analysis of global costs of unaddressed hearing loss

#### 3.1 Types of cost assessed

#### 3.2 Key considerations

##### 3.2.1 Hearing loss prevalence

##### 3.2.2 Direct costs

##### 3.2.3 Indirect costs

#### 3.3 Results

##### 3.3.1 Health sector costs in children

##### 3.3.2 Costs in adults

##### 3.3.3 Costs to the education sector

##### 3.3.4 Productivity losses

##### 3.3.5 Societal/intangible costs

##### 3.3.6 Other costs: informal care and communication-related

##### 3.3.7 Overall costs

### 4. Cost-effectiveness of intervention

#### 4.1 Prevention

#### 4.2 Screening programmes

#### 4.3 Hearing aids

#### 4.4 Cochlear implants

### 5. Conclusions and recommendations

#### 5.1 Conclusions

#### 5.2 Recommendations

### 6. References

### 7. Annexes

#### 1. Hearing impairment categories

#### 2. List of countries and regions used in analysis
