Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

ACKNOWLEDGEMENTS

The WHO JEE Secretariat would like to acknowledge the following, whose support and commitment to the principles of the International Health Regulations (2005) have ensured a successful outcome to this JEE mission:

- The Government and national experts of the Kingdom of Morocco for their support of, and work in, preparing for the JEE mission.
- The governments of Egypt, France, Greece, Tunisia, and the United States of America for providing technical experts for the peer review process.
- The International Civil Aviation Organization, Food and Agriculture Organization of the United Nations (FAO), United Nations Institute for Training and Research, and the World Organisation for Animal Health (OIE) for their contribution of experts and expertise.
- The following WHO entities: Country Office of Morocco, Country Office of Pakistan, WHO Regional Office for the Eastern Mediterranean, WHO Regional Office for Europe, and HQ Country Health Emergency Preparedness and IHR Department.
- Global Health Security Agenda Initiative for their collaboration and support.
