## ACKNOWLEDGEMENTS

The Malaria Vector Control Technical Expert Group of WHO provided inputs on a draft version of this framework. The draft version was pilot tested; it was then adjusted based on the feedback received and the structure and content of national plans that had been developed. The Global Fund to Fight AIDS, Tuberculosis and Malaria provided financial support for the development of an early draft of this document. The WHO Global Malaria Programme would like to acknowledge the valuable contribution made to this framework document by the following individuals: Birkinesh Ameneshewa, Caroline Barwa, Basil Brooke, Maureen Coetzee, Michael Coleman, Luc Djogbenou, Jeffrey Hii, Hmooda Kafy, Tessa Knox, Jan Kolaczinski, Abraham Mnzava, Camille Pillon, Martha Quinones, Melanie Renshaw, John Silver, Emmanuel Temu and Alexandra Willcox.

# **ABBREVIATIONS**

CDC	United States Centers for Disease Control and Prevention
GMP	WHO Global Malaria Programme
GPIRM	Global plan for insecticide resistance management in malaria vectors
IRMMP	insecticide resistance monitoring and management plan
IRS	indoor residual spraying
ITN	insecticide-treated mosquito net
LLIN	long-lasting insecticidal net
NMCP	national malaria control (or elimination) programme
PCR	polymerase chain reaction
WHO	World Health Organization
WHOPES	World Health Organization Pesticide Evaluation Scheme
