# ACKNOWLEDGEMENTS

This report was prepared by the NCD surveillance team within the Department for Prevention of Noncommunicable Diseases. Leanne Riley coordinated the work on the NCD country capacity survey, the overall implementation of the survey and the reporting of results; Melanie Cowan led the web-based data collection, oversaw the validation of results, and performed all data management and statistical analysis needed to prepare the results for the final report.

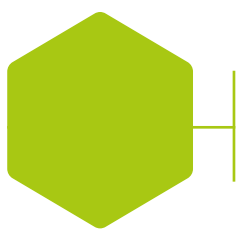

We wish to thank the NCD focal points in the WHO regional offices for their generous support and assistance in coordinating the NCD country capacity survey during 2015 with their respective Member States and for undertaking validation and review of completed survey responses: Abdikamal Alisalah, Andrea Bruni, Jean-Marie Dangou, Simona Minchiotti, Nivo Ramanandraibe and Benoit Varenne for the WHO Regional Office for Africa; Roberta Caixeta, Elisa Prieto Lara and Yenny Rodriguez Sanchez for the WHO Regional Office for the Americas; Vasily Bondarev, Enrique Loyola Elizondo and Anna Mezentseva for the WHO Regional Office for Europe; Loulou Kobeissi for the WHO Office for the Eastern Mediterranean; Naveen Agarwal, Renu Garg, Dharendra Sinha and Thaksaphon Thamarangsi for the WHO Regional Office for South-East Asia; and Marie Clem Carlos, Rick Kim, Hai-Rim

Shin and Wendy Snowdon for the WHO Regional Office for the Western Pacific. Additional thanks to staff in numerous WHO country offices who provided invaluable support in survey-related communication with Member States.

Colleagues from WHO headquarters and IARC also provided helpful input and support in the development of the survey questionnaire and review and validation of the completed questionnaires by countries: Timothy Armstrong, Douglas Bettcher, Lubna Bhatti, Freddie Bray, Marilys Corbex, Kaia Engesveen, Regina Guthold, Luminita Hayes, Belinda Loring, Doris Ma Fat, Colin Mathers, Leslie Mery, Leo Nederveen, Armando Peruga, Vladimir Pozynak, Dag Rekve, Stefan Savin, Kerstin Schotte, Gretchen Stevens, Edouard Tursan d'Espaignet, Cherian Varghese and Temo Waqanivalu.

Thanks also to Steve Moore, independent consultant who designed the web-based platform for data collection and Sylvie Stachenko, independent consultant, who helped with the writing and preparation of this report.

Finally, we thank all Member States that took part in the survey, allowing the assessment and completion of this report.
