Publications of the World Health Organization are available on the WHO website (<http://www.who.int>) or can be purchased from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; email: [bookorders@who.int](mailto:bookorders@who.int)).

Requests for permission to reproduce or translate WHO publications –whether for sale or for non-commercial distribution– should be addressed to WHO Press through the WHO website ([http://www.who.int/about/licensing/copyright\\_form/index.html](http://www.who.int/about/licensing/copyright_form/index.html)).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

## ACKNOWLEDGEMENTS

This rapid advice guideline was coordinated by the World Health Organization (WHO) Evidence and Programme Guidance Unit, Department of Nutrition for Health and Development. Dr Pura Rayco-Solon, Ms Zita Weise Prinzo and Dr Juan Pablo Peña-Rosas oversaw the preparation of this document. WHO acknowledges the technical contribution from the following individuals (in alphabetical order): Dr Mercedes Bonet, Dr Maria Nieves Garcia-Casal, Dr Heber Gomez Malavé, Dr Chessa Lutter, Dr Nigel Rollins, Dr Lisa Thomas, Dr Constanza Vallenias and Mr Gerardo Zamora.

WHO gratefully acknowledges the technical input of the members of the guideline development group – Zika virus and infant feeding: Ms Maaïke Arts, Dr Niklas Danielsson, Dr Elsa Giugliani, Dr Laurent Kaiser, Dr Robert Lawrence, Dr Ruowei Li and Ms Marie McGrath. We also thank the peer-reviewers, Dr Grace Aldrovandi, Ms Solange Durao, Mr Eduardo A Fernandes-Nilson, Dr Vilneide Braga Serva and Professor Teck Chuan Voo.

We would also like to express our gratitude to Dr Saurabh Mehta, Ms Susannah Colt and Dr Julia Finkelstein from the Pan American Health Organization (PAHO)/WHO Collaborating Centre on implementation research in nutrition and global policy, at the Division of Nutritional Sciences, Cornell University (Ithaca, USA), who contributed to the systematic review. Ms Jennifer Volonnino, from the Evidence and Programme Guidance Unit, Department of Nutrition for Health and Development, provided logistic support.

### *Financial support*

The WHO emergency guideline development meeting and the systematic review on breastfeeding in the context of the Zika virus was partially funded by the WHO Contingency Fund for Emergencies.

WHO thanks the Bill & Melinda Gates Foundation for providing financial support to the work of the Department of Nutrition for Health and Development. Donors do not fund specific guidelines and do not participate in any decision related to the guideline development process, including the formulation of research questions, membership of the guideline groups, conduct and interpretation of systematic reviews, or formulation of recommendations.
