Contents

Preface	vii
Acknowledgements	viii
Abbreviations	ix
Glossary of terms	xii
CHAPTER 1. Introduction	1
1.1 Background	1
1.2 Climate change, health and WHO response in the Western Pacific Region	3
1.3 Projected impacts of greenhouse gas emissions on the global climate system	5
1.4 Climate change and health synthesis report	10
CHAPTER 2. The science of climate change and health	13
2.1 Background	13
2.2 Greenhouse gas emissions in the Western Pacific Region	14
2.3 Climatic determinants of human health	15
2.4 Evidence of health impacts in the Western Pacific Region	18
CHAPTER 3. Synthesis of climate change and health of selected countries in the Western Pacific Region	29
3.1 Cambodia	30
3.2 Lao People's Democratic Republic	38
3.3 Mongolia	43
3.4 Papua New Guinea	49
3.5 Philippines	54
3.6 Republic of Korea	62
3.7 Viet Nam	71
CHAPTER 4. Summary of work on climate change and health in the Western Pacific Region	77
4.1 Overview of climate change and health in the Western Pacific Region	77
4.2 Priority health risks of climate change	77
4.3 Policy developments and progress	79
4.4 Implementation of adaptation plans	81

CHAPTER 5. Policy direction for the health sector's response to climate change	85
5.1 Introduction	85
5.2 Regional needs on climate change and health in the Western Pacific Region	85
5.3 Strengthening and reforming health systems	87
5.4 Tools for evaluating climate change impacts on health and development of policy response	91
5.5 Actions for building climate-resilient health systems	96
CHAPTER 6. Conclusions	101
REFERENCES	102
ANNEXES	113
Annex 1. Sixty-first World Health Assembly agenda: Climate change and health (A61/14)	113
Annex 2. Sixty-first World Health Assembly resolution: Climate change and health (WHA61.19)	118
Annex 3. Regional Committee for the Western Pacific resolution: Protecting health from the effects of climate change (WPR/RC59.R7)	121
Annex 4. Regional Framework for Action to Protect Human Health from Effects of Climate Change in the Asia-Pacific Region	124
Annex 5. 136th session Executive Board agenda: Health and the environment: climate and health (EB136/16)	129
