Requests for permission to reproduce or translate WHO publications –whether for sale or for non-commercial distribution– should be addressed to WHO Press through the WHO web site (www.who.int/about/licensing/copyright_form/en/index.html). For WHO Western Pacific Regional Publications, request for permission to reproduce should be addressed to Publications Office, World Health Organization, Regional Office for the Western Pacific, P.O. Box 2932, 1000, Manila, Philippines, fax: +632 521 1036, e-mail: publications@wpro.who.int. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

Acknowledgements

The Human Resources for Health Profile for Cambodia was developed by Ann Robins, HRH Technical Officer of the World Health Organization (WHO) and Yoolwon Jeong, WHO Special Fellow. Special thanks go to Professor Keat Phuong, from the Human Resource Development Department and to Dr Mey Sambo, from the Personnel Department of the Ministry of Health of

Cambodia for their valuable collaboration. The Human Resources for Health country profiles for the Western Pacific Region are prepared under the logistical and editorial support of the Human Resources for Health unit of the WHO Regional Office for the Western Pacific and coordinated by a team composed of Gulin Gedik, Rodel Nodora, Jose Aguin and Dyann Severo.
