ACKNOWLEDGEMENTS

The meeting was organized by WHO Department of Maternal, Newborn, Child and Adolescent Health (MCA) in conjunction with the Aga Khan University, the Bill & Melinda Gates Foundation, the March of Dimes and the Preparing for Life Initiative.

Financial support was provided by the Bill & Melinda Gates Foundation. The Preparing for Life Initiative supported selected participants from countries not covered by other support.

Nine WHO departments provided inputs to the background document for the meeting. C. Christiansen and V. Chandra-Mouli worked with S. Dean (Aga Khan University) and J. Willumsen (independent technical writer) to compile the matrices in advance of the meeting.

Following the meeting, C. Christiansen and V. Chandra-Mouli worked with staff from the following WHO departments to revise and finalize the matrices: **HIV/AIDS; Mental Health and Substance Abuse (MSD); Immunization, Vaccine and Biologicals (IVB); Nutrition for Health and Development (NHD); Public Health and Environment (PHE); Reproductive Health and Research (RHR); Tobacco-Free Initiative (TFI); Violence and Injury Prevention (VIP);** and the **Partnership for Maternal, Newborn and Child Health**. E. Mason guided the work throughout the process.

This report was prepared by C. Christiansen, V. Chandra-Mouli, L. Ogbaselassie and J. Willumsen with the guidance of E. Mason.

CONTENTS

1. Introduction	1
2. Issues discussed at the meeting	5
3. Conclusions and agreements on action points	13
Annexes	17
Annex 1: Syntheses of group work assignments	18
Annex 2: Annotated agenda and proceedings of the meeting	31
Annex 3: Health problems, problem behaviours and risk factors that can be addressed in pre-pregnancy/interpregnancy, and related interventions	36
