Requests for publications, or for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – can be obtained from Publishing and Sales, World Health Organization, Regional Office for South-East Asia, Indraprastha Estate, Mahatma Gandhi Marg, New Delhi 110 002, India (fax: +91 11 23370197; e-mail: publications@searo.who.int).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

This publication does not necessarily represent the decisions or policies of the World Health Organization.

Contents

<i>Acknowledgements</i>	v
<i>Abbreviations</i>	vii
<i>Scope and objectives</i>	ix
1. Introduction.....	1
2. Development and implementation of the quality system	5
3. Developing laboratory quality standards.....	7
3.1 Organization and management	7
3.2 Quality management system (QMS)	9
3.3 Human resources (personnel).....	11
3.4 Accommodation and environmental conditions.....	12
3.5. Laboratory safety.....	13
3.6 Laboratory equipment.....	15
3.7 Procurement and supplies management.....	17
3.8 Information management.....	18
3.9 Managing laboratory specimens	19
3.10 Customer service and resolution of complaints	24
3.11 Outbreak alert and laboratory network.....	24
4. Implementing laboratory quality standards	27
5. Further reading	29

Annexes

1. Quality Manager	31
2. Safety Officer.....	33
3. Suggested model safety rules for health laboratories	35

4.	Donated equipment	37
5.	Example of a standard operating procedure (SOP).....	39
6.	Checklist for laboratory quality standards	47
7.	Contributors	59

Acknowledgements

The first draft of this document was developed by Mr John Elliot, Director, Pacific Paramedical Training Centre, Wellington, New Zealand. We gratefully acknowledge his contribution as well as inputs from several experts (Annex 7) in finalization of this document.

Abbreviations

CPD	continuing professional development
CQI	continuous quality improvement
EQAS	external quality assessment scheme
FIFO	first in–first out
HBV	hepatitis B virus
HIV	human immunodeficiency virus
IEQAS	international eqas
IHR	International Health Regulations (2005)
ISO	International Standards Organization
IQC	internal quality control
MoH	Ministry of Health
NEQAS	national EQAS
