The designations employed and the presentation of material in this information product do not imply the expression of any opinion whatsoever on the part of the Food and Agriculture Organization of the United Nations or of the World Health Organization concerning the legal or development status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. The mention of specific companies or products of manufacturers, whether or not these have been patented, does not imply that these have been endorsed or recommended by FAO or WHO in preference to others of a similar nature that are not mentioned.

All reasonable precautions have been taken by the World Health Organization and the Food and Agriculture Organization of the United Nations to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied.

The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization or the Food and Agriculture Organization of the United Nations be liable for damages arising from its use. This report contains the collective views of an international group of experts and does not necessarily represent the decisions or the stated policy of FAO or of WHO.

Acknowledgements

FAO/WHO would like to express its appreciation to the many people who provided advice and guidance during the preparation of this document. This document was prepared for FAO and WHO and is the result of the joint effort of many contributors. The development of the document was coordinated by Jean-Michel Poirson (FAO), Masami Takeuchi (FAO), Andrea Ellis (WHO) and Guansheng Ma (WHO). FAO/WHO is grateful to the international experts who participated in the drafting workshop, namely Andrea Gervelmeyer (EFSA), Maria Eduarda de Serra Machado (Brazil), Jeffrey Moon (EFSA), Ellen F. Morrison (US FDA), Alan Reilly (FSAI, Ireland), Jongkolnee Vithayarungruang Sri (Thailand), Elizabeth Haydee Segovia Lizarbe (Peru) and Guy Czerwinski (France). The document was peer-reviewed by Junshi Chen (China), Nour Elisabeth (France), Laurence Giuliani (France), Delia Grace (Kenya), Jack Guzewich (US FDA), Philippe Houdart (Belgium) and Kumnuan Ungchusak (Thailand) and edited by Sarah Binns. Technical contributions from several FAO and WHO colleagues are also gratefully appreciated.
