All rights reserved. Publications of the World Health Organization can be obtained from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; e-mail: bookorders@who.int). Requests for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – should be addressed to WHO Press, at the above address (fax: +41 22 791 4806; e-mail: permissions@who.int).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

## Abbreviations and glossary

**AIDS** 

acquired immune deficiency syndrome

ACSM

advocacy, communication and social mobilization

**ADB** 

Asian Development Bank

ARI

annual risk of infection

**Askeskin** 

asuransi kesehatan orang miskin (health insurance for the poor)

ATS

American Thoracic Society

**AusAID** 

Australian Agency for International Development

CI

confidence interval

**CIDA** 

Canadian International Development Agency

**DFID** 

Department for International Development (United Kingdom)

**DOTS** 

The basic package that underpins the Stop TB Strategy

EPI

Expanded Programme for Immunization (Indonesia)

FDC

fixed-dose combination (drugs in the form of a tablet)

**GDF** 

UI UI Y. A.Y. IU [VIII

Global Drug Facility

GDP

gross domestic product

**GERDUNAS** 

Gerakan Terpadu Nasional Penanggulangan TB (Indonesian Stop TB Partnership)

**GLC** 

Green Light Committee

**Global Fund** 

The Global Fund to Fight AIDS, Tuberculosis and Malaria

GNI

gross national income

HDL

hospital DOTS linkage

HIV

human immunodeficiency virus

**IMA** 

Indonesian Medical Association

IMAI

integrated management of adult illness

INH

isoniazid

**ISTC** 

International Standards of TB Care

**JICA** 

Japan International Cooperation Agency

**KNCV** 

**KNCV Tuberculosis Foundation** 

**KulS** 

Coalition for Health Indonesia

**MDG** 

Millenium Development Goals (United Nations)

MDR-TB

multidrug-resistant TB

MoH

Ministry of Health (Indonesia)

**MSH** 

Management Sciences for Health (Indonesia)

NGO

nongovernmental organization

**NIHRD** 

National Institute of Health Research and Development (Indonesia)

NTP

national TB control programme

PAS

para-aminosalicylic acid
