## **Training Course on Child Growth Assessment WHO Child Growth Standards**

### **Acknowledgements**

This training course has been prepared by the Department of Nutrition, World Health Organization, Geneva. The project was designed and coordinated by Adelheid W. Onyango and Mercedes de Onis who provided the main technical input. Contributions to the technical content by Chessa Lutter (AMRO/PAHO), Cutberto Garza (Boston, MA, USA) and Ilgi Ertem (Ankara, Turkey) are gratefully acknowledged. The field-test version of the materials was reviewed in-depth by staff of the FANTA Project, USAID, and participants in the PAHO regional Training of Trainers workshop in Barbados, May 2006. Version 1, published in November 2006 was reviewed during Regional workshops in EMRO (Cairo, February 2007), AFRO (Addis Ababa, June 2007), WPRO (Shah Alam, September 2007) and SEARO (Bali, October 2007). The comments and suggestions provided by participants at these workshops have been used to refine the course for this final printing. The course modules were developed and laid out by Patricia Whitesell Shirey and Florence C. Johnson of ACT International, Atlanta, Georgia, USA.

With funds from the Bill and Melinda Gates Foundation, the course was field-tested in collaboration with the Caribbean Program Coordination, PAHO in Barbados, and its first version further tested and refined with the collaboration of the respective WHO Regional Offices (EMRO, AFRO, WPRO and SEARO) and the Country Offices in Ethiopia, Malaysia and Indonesia.
