Publications of the World Health Organization can be obtained from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; e-mail: bookorders@who.int). Requests for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – should be addressed to WHO Press, at the above address (fax: +41 22 791 4806; e-mail: permissions@who.int).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

# Acknowledgements

The World Health Organization would like to thank all those who contributed their knowledge, experience and time to the development of these recommendations. In particular, WHO acknowledges the contributions of those individuals who took part in the December 2006 Expert Consultation on Ethical, Safety and Methodological Issues in Researching, Monitoring and Documenting Sexual Violence in Emergencies:

**Meeting participants:** Gloria Atiba Davies, International Criminal Court, the Netherlands; Véronique Aubert, Amnesty International, England; Leith Baker, The International Rescue Committee, USA; Megan Bastick, Geneva Centre for the Democratic Control of Armed Forces, Switzerland; Clara Elena Cardona-Tamayo, Casa de la Mujer de Bogotá, Colombia; Sibinty Conteh, The International Rescue Committee, the Sudan; Francoise Duroch, Médecins Sans Frontières, Switzerland; Florence Duvieusart, Belgian Directorate-General for Development Cooperation, Switzerland; Karin Griesse, Medica Mondiale, Germany; Michelle Hynes, Centers for Disease Control and Prevention, USA; Peggy Jennings, Women's Rights International, USA; Nancy Kass, Johns Hopkins Bloomberg School of Public Health, USA; Ben King, AllianceDARC/IOM, Switzerland; Alena Koscalova, Médecins Sans Frontières, the Democratic Republic of Congo; Christopher McDowell, City University (London), England; Tegan Molony, American Refugee Committee, Pakistan; Klaudia Porten, Epicentre, Switzerland; Jan de Preter, Mission de Belgique à Genève, Switzerland; Shana Swiss, Women's Rights International, USA; Florence Tercier, International Committee of the Red Cross, Switzerland; Beth Vann, GBV consultant, USA; Gurcharan Virdee, Medica Mondiale, Afghanistan; Karin Wachter, The International Rescue Committee, Burundi; Chantale Walker, Foreign Affairs and International Trade Canada, Canada; Anthony Zwi, University of New South Wales, Australia.

**Representatives of other organizations:** Hodan Addou, UNIFEM, Kenya; Miriam Azar, UNICEF, Switzerland; Kate Burns, OCHA, USA; Karl Dehne, UNAIDS, Switzerland; Wilma Doedens, UNFPA, Switzerland; Joanina Karugaba, UNHCR, Switzerland; Betsy Lippman, UNDP, Switzerland; Sophie Read-Hamilton, UNICEF, Uganda.

**From WHO:** Micheline Diepart, HIV/AIDS; Claudia Garcia-Moreno, Department of Gender, Women and Health; Anayda Gerarda-Portela, Making Pregnancy Safer; Henrica Jansen, Department of Gender, Women and Health; Shawn Malarcher, Reproductive Health and Research; Alison Phinney-Harvey, Injuries and Violence Prevention; Chen Reis, Department of Gender, Women and Health; Abha Saxena, Research Policy and Cooperation; Raffaella Schiavello, Department of Gender, Women and Health; Tanja Ellen Sleuwenhoek, Health Action in Crises.

**Additional reviewers:** The World Health Organization would also like to thank all those who reviewed draft versions of the present document, including: Linda Bartolomei, University of New South Wales, Australia; Chris Beyrer, Johns Hopkins Bloomberg School of Public Health, USA; Awa Dabo, UNDP, Switzerland; Dutima Bhagwandin, OHCHR, New York; Michael Bonser, Foreign Affairs and International Trade Canada, Canada; Robin Coupland, International Committee of the Red Cross, Switzerland; Catharine Evans, UNHCR, Switzerland; Alan Fleischman, The New York Academy of Medicine, USA; Elissa Golberg, Foreign Affairs and International Trade Canada, Canada; Naroessa Jagessar, Permanent Mission of the Kingdom of the Netherlands, Switzerland; Connie Kamara, American Refugee Committee, USA; Erin Kenny, UNFPA, USA; Lynn Lawry, International Medical Corps, USA; Vivian Lee, UNHCR, Switzerland; Helen Liebling-Kalifani, Coventry University, England; Julie MacCormack, Canadian International Development Agency, Canada; Dyan Mazurana, Tufts University, USA; Barbara O'Dwyer, AusAID, Australia; Eileen Pittaway, University of New South Wales, Australia; Susan Purdin, the International Rescue Committee, USA; Mathijs le Rutte, UNHCR, Switzerland; Marian Schilperoord, UNHCR, Switzerland; Marcus Stahlhofer, Department of Child and Adolescent Health, WHO, Switzerland; Aisling Swaine, Irish Aid and the Irish Joint Consortium on GBV, Ireland; Mark Van Ommeren, Department of Mental Health and Substance Abuse, WHO, Switzerland; Jeanne Ward, independent consultant, Kenya; Anna Whelan, University of New South Wales, Australia. WHO is also grateful to the members of the Inter-Agency Standing Committee Sub Working Group on Gender and Humanitarian Action for their inputs.

Special thanks go to Beth Vann, consultant to the Department of Gender, Women and Health of WHO for her invaluable input to the consultation meeting and also for her work on the present document.

Finally, WHO wishes to acknowledge the United Nations System-Wide Work Programme on Scaling-Up HIV/AIDS Services for Populations of Humanitarian Concern (which is managed by UNAIDS and funded by the UK Department for International Development), without whose support neither the Expert Consultation nor the publication of this document would have been possible.
