Publications of the World Health Organization can be obtained from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel: +41 22 791 2476; fax: +41 22 791 4857; email: bookorders@who.int). Requests for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – should be addressed to WHO Press, at the above address (fax: +41 22 791 4806; email: permissions@who.int).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either express or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

ACKNOWLEDGEMENTS

The *World Health Organization Assessment Instrument for Mental health Systems* (WHO-AIMS) has been conceptualized and developed by the Mental Health: Evidence and Research Team (MER) of the Department of Mental Health and Substance Abuse (MSD), World Health Organization (WHO), in collaboration with colleagues inside and outside of WHO. The instrument has been developed primarily by the following members of the MER team: Shekhar Saxena (Coordinator), Antonio Lora, Mark van Ommeren, Tom Barrett, and Jodi Morris. Ms Katherine Deighton assisted with the development of the WHO-AIMS data entry programme during her internship in the department. Ms. Michaela Rohr and Ms. Geetika Chopra also assisted with tasks related to the development of the WHO-AIMS instrument during their internships with the MER team. The instrument has benefited from technical inputs by Itzhak Levav and Pratap Sharan. The team receives administrative support from Grazia Motturi and Rosemary Westermeyer. Benedetto Saraceno has provided the vision and overall guidance for the development of WHO-AIMS.

The WHO Regional Offices have collaborated in the project by reviewing various drafts of the instrument:

- Regional Office for Africa (Custodia Mandlhate, Thérèse Agossou)
- Regional Office for the Americas / Pan American Health Organization (Claudio Miranda, Jose Miguel Caldas de Almeida)
- Regional Office for the Eastern Mediterranean (Ahmed Mohit, Srinivasa Murthy)
- Regional Office for Europe (Wolfgang Rutz, Matt Muijen)
- Regional Office for South-East Asia (Vijay Chandra)
- Regional Office for the Western Pacific (Xiangdong Wang).

The following colleagues in the WHO Department of Mental Health and Substance Abuse reviewed the instrument and provided inputs: José Bertolote, Michelle Funk, Vladimir Poznyak, Leonid Prilipko, Myron Belfer, Dan Chisholm, Natalie Drew, Alexandra Fleischmann, Anna Gatti, Margaret Grigg, and Isidore Obot.

The following colleagues from outside WHO are acknowledged for their inputs during various stages of development of the instrument: Vuong Anh Duong, Rajya Abu Sway, Salih Al- Hasnawi, Mathias Angermeyer, Karen Babich, Seyed Abbas Bagheri Yazdi, Florence Baingana, Larisa Boderscova, C.R. Chandrashekar, Marina Chiarini, Christian Dagenais, Neli Demi, Saida Douki, Mike Ekpo, Alan Flisher, Maurizio Focchi, Vijay Ganju, Nestor Giral, Gozel Greenidge, Walter Gulbinat, Yousif Hanna Rofa, Mihai Hotineanu, Sylvia Kaaya, Do Thuy Lan, Ville Lehtinen, Tatiana Lekovska Stoicovska, Li Ling Jiang, John Mahoney, Anita Marini, Venetsanos Mavreas, Joseph Mbatia, Céline Mercier, Nalaka Mendis, Alberto Minoletti, Livia Nano, David Ndeti, John Orley, S. Rajkumar, Pedro Ruis, Khalid Saeed, Patricio Jácome Salazar, Edward Searle, Carole Siegel, Fran Silvestri, David Smith, Michele Tansella, Maris Taube, Mamadou Habib Thiam, Graham Thornicroft, Francisco Torres Gonzales, Antti Tuomi-Nikula, and Benjamín Vicente.

A previous draft of the instrument was pilot tested in Albania, Barbados, Ecuador, India, Kenya, Latvia, Moldova, Pakistan, Senegal, Sri Lanka, Tunisia, and Viet Nam.

The project received financial assistance and/or seconded personnel from:

- The National Institute of Mental Health (NIMH) (under the National Institutes of Health) and the Center for Mental Health Services (under the Substance Abuse and Mental Health Services Administration [SAMHSA]) of the United States;
- The Health Authority of Regione Lombardia, Italy;
- The Ministry of Public Health of Belgium;
- The Institute of Neurosciences Mental Health and Addiction, Canadian Institutes of Health Research.
