Table of Contents

	Page
Acknowledgements	
1. Scope of this document and problem definition	1
1.1 Insect-borne disease	1
1.2 The role of household insecticide products	2
1.3 Definitions	3
1.4 Scope of this document	4
2. Safe and proper use of household insecticide products	6
2.1 General principles	6
2.2 Key messages for target groups	6
2.3 Linkage between key messages and target groups	9
3. Producing educational and training materials	11
3.1 Needs assessment	11
3.2 Teaching methodologies	12
3.3 How to get the message across	12
3.4 The effectiveness of message delivery	12
3.5 Commonly used teaching methods	13
3.6 Schools	15
3.7 Designing visual materials	15
3.8 Evaluation	15
4. Specific guidelines for the use of household insecticide products	16
4.1 General principles	16
4.2 Space spray products (FIK aerosols)	18
4.3 Residual sprays (CIK aerosols)	19
4.4 Oil sprays	21
4.5 Mosquito coils	23
4.6 Electric vaporiser systems	24
4.7 Baits, traps and strips	30
5. Personal protection – the complimentary role of household insecticide products to physical control measures	32
6. Conclusion	32

Acknowledgements

The Communicable Diseases Prevention and Control Department (CPC) of the World Health Organization wishes to thank the following for their valuable contributions to this document:

- Mr Ian Adams, Reckitt & Colman Products, NSW, Australia
- Dr David Brown, Sacto-Yolo County MAD, Elk Grove, CA, USA
- Dr Christian Frederickson, WHO Regional Office for America (AMRO), Brazil
- Dr Driss Kelili, Dow Agroscience, Sophia Antipolis, France
- Ms Mareli Krause, The Registrar Act, National Department of Agriculture, Pretoria, South Africa
- Dr Peter Miller, University of Technology, Sydney, Australia
- Dr Michael Nathan, Communicable Disease Prevention and Control, World Health Organization, Geneva, Switzerland
- Dr Hans W. Rauen, Bayer AG, Leverkusen, Germany
- Dr Elil Renganathan, Communicable Disease Prevention and Control, World Health Organization, Geneva, Switzerland
- Ms Joanne Sheppard, Communicable Disease Prevention and Control, World Health Organization, Geneva, Switzerland
- Dr E.M. Smith, Programme for the Promotion of Chemical Safety, World Health Organization, Geneva, Switzerland
- Dr Yap Han Heng, Universiti Sains Malaysia, Penang, Malaysia
- Dr M. Zaim, WHO Pesticide Evaluation Scheme, Communicable Disease Prevention and Control, World Health Organization, Geneva, Switzerland
