**Cataloguing-in-Publication (CIP) data.** CIP data are available at <http://apps.who.int/iris>.

**Sales, rights and licensing.** To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <https://www.who.int/copyright>.

**Third-party materials.** If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

**General disclaimers.** The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

# CONTENTS

	About the manual	1
	Preparing to deliver successful WASH FIT training	6
	Delivering the recommended modular approach	14
	Evaluating the training	19

<b>Annex 1</b> Sample pre-training/post-training test	23
<b>Annex 2</b> WASH links with health – module outline	26
<b>Annex 3</b> WASH FIT methodology – module outline	28
<b>Annex 4</b> Managing safe water supplies – module outline	31
<b>Annex 5</b> Sanitation – module outline	34
<b>Annex 6</b> Hand hygiene – module outline	38
<b>Annex 7</b> Health care waste – module outline	41
<b>Annex 8</b> Environmental cleaning – module outline	44

<b>Annex 9</b> Climate resilience – module outline	47
<b>Annex 10</b> Gender equality, disability and social inclusion – module outline	50
<b>Annex 11</b> Example agenda focused on introductory WASH FIT training (face to face)	53
<b>Annex 12</b> Example agenda for training (virtual)	57
<b>Annex 13</b> Post-training action plan (facility level)	60
<b>Annex 14</b> Example training evaluation form	62
<b>Annex 15</b> Example certificate of completion	64

# ACKNOWLEDGEMENTS

The development of the manual was led by the World Health Organization (WHO) and United Nations Children's Fund (UNICEF) under the strategic direction of Maggie Montgomery (WHO) and Silvia Gaya (UNICEF). Claire Kilpatrick (WHO) and Julie Storr (WHO) coordinated the development of the manual and led the writing. Arabella Hayter (WHO), Irene Amongin (UNICEF) and Fabrice Fotso (UNICEF) provided input into content development and review of the document.

WHO and UNICEF gratefully acknowledge review and feedback from Anand Balachandran (WHO), Molly Patrick (United States Centers for Disease Control and Prevention – CDC) and Carrie Ripkey (CDC) during the review process.

WHO and UNICEF also note and acknowledge the work of Professor Wendy Graham of the London School of Hygiene and Tropical Medicine (LSHTM) – in particular, the TEACH CLEAN package (<https://www.lshtm.ac.uk/research/centres/march-centre/soapbox-collaborative/teach-clean>) developed by the Soapbox Collaborative, in partnership with NHS Grampian and LSHTM. This package helped to stimulate the design of this training manual.
