Sales, rights and licensing. To purchase WHO publications, see http://apps.who.int/bookorders. To submit requests for commercial use and queries on rights and licensing, see https://www.who.int/copyright.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

Acknowledgements

The World Health Organization (WHO) Ageing and Health Unit of the Department of Maternal, Newborn, Child and Adolescent Health and Ageing would like to extend warm thanks to everyone who attended the meeting online and made contributions to the work of the Clinical Consortium on Healthy Ageing (CCHA). See Annex 2 for the list of meeting participants.

The work of the CCHA is supported the Government of Kanagawa Prefecture, the Government of Japan, the Government of Germany and the Universal Health Coverage Partnership (Belgium, Canada, European Union, Germany, Luxembourg, Ireland, France, Japan, United Kingdom and WHO).

WHO gratefully acknowledges the in-kind partnering support of a number of WHO collaborating centres and international professional and academic organizations, in particular the WHO Collaborating Centre for Frailty, Clinical Research and Geriatric Training, Gérontopôle, Toulouse University Hospital and the WHO Collaborating Centre for Public Health Aspects of Musculoskeletal Health and Ageing, University of Liège.

This report was drafted by Markus MacGill with technical direction and guidance from Yuka Sumi, WHO Ageing and Health.
