Key terms and concepts	xi
Guide to using this document	xiv

Recommended actions

3.1	Introduction	1
3.2	Action area 1: Prepare for national NCD health literacy development and responsiveness	4
	Practical activity 3.2A: Establish a health literacy coordination unit	5
3.2.1	Action area 1.1: Develop an understanding of health literacy that is contextually appropriate	6
	Practical activity 3.2B Translate the concept of health literacy and co-design to a nationally acceptable name	8
	Practical activity 3.2C Audit national activities across 10 fields of health literacy policy development and implementation	8
3.2.2	Action area 1.2: Measure health literacy to identify and understand differences about who is being left behind	13
	3.2.2.1 Measure health literacy responsiveness	13
	Practical activity 3.2D Measure health literacy responsiveness	14
	3.2.2.2 Measure health literacy of individuals	15
	Practical activity 3.2E Undertake targeted or national surveys of health literacy	17
3.2.3	Action area 1.3: Integrate health literacy into existing NCD policies and programmes	20
	Practical activity 3.2F Review and strengthen NCD policy using health literacy development and responsiveness approaches	21
3.2.4	Action area 1.4: Enhance the reach and acceptability of WHO Best Buys and other recommended interventions for the prevention and control of NCDs	22
3.2.5	Action area 1.5: Overcome barriers to health literacy development and responsiveness	25

3.3	Action area 2: Build health literacy responsive health systems	26
3.3.1	Action area 2.1: Build the health literacy-responsive of health organizations	28
3.3.2	Action area 2.2: Co-design health literacy-responsive actions using the Ophelia process	30
3.3.3	Action area 2.3: Choose an appropriate framework to assess organizational health literacy responsiveness	32
	Practical activity 3.3A Explore organizational health literacy responsiveness	34
3.3.4	Action area 2.4: Improve the health literacy responsiveness of health workers	35
3.3.5	Action area 2.5: Incorporate health literacy-responsive practice into health education curricula and continuing professional development	37
	Practical activity 3.3B Training of health-care workers	38
3.4	Action area 3: Build community health literacy	39
	Practical activity 3.4A Develop and support the introduction and continuous development of community health workers	41
	Practical activity 3.4B Implement the Action for Healthier Families Toolkit	42
3.5	Action area 4: Target priority groups that are not receiving or easily accessing health information or health care	43
	Practical activity 3.5A Identify and prioritize groups that are being left behind and implement NHLDPs	45
3.5.1	Action area 4.1: People at risk of digital health exclusion	46

3.6	Action area 5: Integrate health literacy at the national level through to local levels	48
3.6.1	Action area 5.1: Develop a national action plan that integrates Action areas 1 – 4	49
	Practical activity 3.6A Establish NHLDPs	49
	Practical activity 3.6B Establish a health literacy knowledge repository and community of practice	50
3.6.2	Action area 5.2: Scale up actions that work	51
3.7	Moving global health literacy development forwards	52
