Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

The World Health Organization (WHO) Urban Health Research Agenda was developed jointly by WHO's Environment, Climate Change and Health (ECH) department, and its Social Determinants of Health (SDH) department. This work was led by Thiago Herick de Sa and Nathalie Roebbel, and directed by Maria Neira (Director, ECH) and Etienne Krug (Director, SDH).

WHO appreciates and particularly wishes to acknowledge the support of the International Society for Urban Health (ISUH) who led the global scoping review of published literature; led an analysis of big data examining and identifying the connections between urban health concepts and actors globally; and carried out more than 100 in-depth interviews with urban health researchers and leaders the six WHO regions.

Special thanks to Carlos Dora, President of ISUH; Giselle Sebag, Executive Director of ISUH, and the following ISUH Regional Coordinators: Hany Ayad, Suraj Bhattarai, Jo Ivey Boufford, Franz Gatzweiler, Gina Gonzales, Libby Grant, Philippa Howden-Chapman, Blessing Mberu, Agnes Nanyonjo, Gérard Salem, Anna Siprikova, Mary Anne Teariki, Chuyue 'Susan' Zhong.

WHO is grateful for the work of Daniela Mariño and Céline Rozenblat who led the stakeholder analysis as well as the work of Ebele Mogo who supported the consolidation of the priorities.

WHO wishes to acknowledge the contributions of experts who participated in the review of

the research priorities: Jose Alvarez Muñoz, Debashis Basu, Luis Bettencourt, Upendra Bhojani, Carolyn Daher, Fernando Díaz-Barriga, Ana V. Diez Roux, Helen Elsey, Nicholas Freudenberg, Sharon Friel, Luiz Galvao, Andrew Gibbs, Susanna Hausmann-Muela, Vernon Lee, Vivian Lin, Rene Loewenson, Richard Matzopoulos, Virginia Murray, Mark Nieuwenhuijsen, Tolullah Oni, Susan Parnell, Sheela Patel, Vinodkumar Rao, Emilia Saiz, Gerard Salem, Olga Sarmiento Dueñas, Keiko Shikako-Thomas, Jose Siri.

Further important input in preparing for the research priorities was provided generously by WHO colleagues at country, regional and international levels: Francisco Armada, Julia Berenson, Matthias Braubach, Marie Noel Brune Drisse, Gerry Eijkemans, Samar Elfeky, Suvajee Good, Qudsia Huda, Monika Kosinska, Mazen Malkawi, Guy Mbayo, Pierpaolo Mudu, Sinaia Netanyahu, Tara Neville, Frank Pega, Francesca Racioppi, Uma Rajarathnam, Ankur Rakesh, Susannah Robinson, Anna Laura Ross, Sarah Rylance, Meelan Thondoo, Adam Tiliouine, Raman Velayudhan, Cristina Vert, Matthias Wismar. Special thanks go to Ramona Ludolph, Michael Hinsch and Tamitza Toroyan.

WHO also wishes to thank the Spanish Agency for International Cooperation (AECID), the Norwegian Agency for Development Cooperation (NORAD) and Bloomberg Philanthropies for funding for this document.
