# CONTENTS

<b>ACKNOWLEDGEMENTS</b>	<b>V</b>
<b>INTRODUCTION</b>	<b>1</b>
Why an updated Global Strategy for Food Safety?	2
Development of the Global Strategy for Food Safety	4
Target audience and timeframe	4
<b>FOOD SAFETY TODAY</b>	<b>7</b>
Food safety: A public health and socioeconomic priority	8
Food safety: An integral part of the Sustainable Development Goals	9
Drivers of change in food safety	11
Food safety: A holistic approach	15
<b>GLOBAL STRATEGY FOR FOOD SAFETY</b>	<b>19</b>
Aim and vision	20
Scope	20
Strategic priorities	23
<b>Strategic priority 1</b>	
Strengthening national food control systems	24
<b>Strategic objective 1.1:</b> Establish a modern, harmonized and evidence-based framework of food legislation	26
<b>Strategic objective 1.2:</b> Establish an institutional framework to coordinate the work of different competent authorities that manage national food control systems	26
<b>Strategic objective 1.3:</b> Develop and implement fit-for-purpose standards and guidelines	26
<b>Strategic objective 1.4:</b> Strengthen compliance, verification and enforcement	27
<b>Strategic objective 1.5:</b> Strengthen food monitoring and surveillance programmes	28
<b>Strategic objective 1.6:</b> Establish food safety incident and emergency response systems	29
<b>Strategic priority 2</b>	
Identifying and responding to food safety challenges resulting from global changes and food systems transformation	30
<b>Strategic objective 2.1:</b> Identify and evaluate food safety impacts arising from global changes and food systems transformations and movement of food	31
<b>Strategic objective 2.2:</b> Adapt risk management options to emerging foodborne risks brought about by transformation and changes in global food systems and movement of food	32
<b>Strategic priority 3</b>	
Improving the use of food chain information, scientific evidence and risk assessment in making risk management decisions	33

<b>Strategic objective 3.1:</b> Promote the generation and use of scientific evidence and risk assessment when establishing and reviewing food control measures	33
<b>Strategic objective 3.2:</b> Gather comprehensive information along and beyond food chain and utilize these data when making informed risk management decisions	34
<b>Strategic objective 3.3:</b> Source food safety information and risk analysis experiences from beyond national borders to strengthen risk management decisions and technical capacity	35
<b>Strategic objective 3.4:</b> Consistent and transparent risk management decisions when establishing food control measures	36
<b>Strategic priority 4</b>	
Strengthening stakeholder engagement and risk communication	37
<b>Strategic objective 4.1:</b> Establish platforms for consultation on the national food safety agenda	38
<b>Strategic objective 4.2:</b> Assess the pertinence of using non-regulatory schemes for enhancing food safety across the food chain	38
<b>Strategic objective 4.3:</b> Establish frameworks for sharing verification of compliance with food safety regulatory requirements	39
<b>Strategic objective 4.4:</b> Facilitate communication, capacity-building and engagement with food business operators and foster a food safety culture	39
<b>Strategic objective 4.5:</b> Facilitate communication, education and engagement with consumers	39
<b>Strategic priority 5</b>	
Promoting food safety as an essential component in domestic, regional and international food trade	41
<b>Strategic objective 5.1:</b> Strengthen food control systems and capacity development in regulatory systems for the domestic market	42
<b>Strategic objective 5.2:</b> Strengthen interaction between national agencies responsible for domestic food safety and those facilitating international fair trading practices	42
<b>Strategic objective 5.3:</b> Ensure that national food safety systems are aligned with the standards of the Codex Alimentarius to protect public health and facilitate trade	43
<b>Strategic objective 5.4:</b> Strengthen engagements of national competent authorities with international agencies and networks that establish standards and guidelines for food	43
<b>IMPLEMENTATION OF THE STRATEGY BY MEMBER STATES AND THE ROLE OF WHO</b>	<b>47</b>
How can Member States implement the strategy?	48
The role of WHO	50
Enhance international cooperation	52
<b>MONITORING AND EVALUATION</b>	<b>55</b>
Monitoring the performance at national level	56
Global progress and impact measurement	57
<b>ANNEXES</b>	<b>59</b>
<b>Annex 1:</b> Glossary	60
<b>Annex 2:</b> Food safety targets for 2030: a proposed method to ignite countries' commitments towards reducing the burden of foodborne disease	63
<b>REFERENCES</b>	<b>69</b>

# ACKNOWLEDGEMENTS

**T**he strategy was developed and coordinated by Dr Amina Benyahia (WHO headquarters) and Mr Cheng Liang (WHO headquarters) with strong support from the Secretariat composed by Dr Elaine Borghi (WHO headquarters), Dr Ottorino Cosivi (Pan American Health Organization/WHO Regional Office for the Americas), Dr Margarita Corrales (Pan American Health Organization/WHO Regional Office for the Americas), Dr Gyanendra Gongal (WHO Regional Office for South-East Asia), Mr Peter Sousa Hoejskov (WHO Regional Office for Europe), Ms Hyunjin Kim (WHO headquarters), Ms Yuki Minato (WHO headquarters), Dr Simone Moraes Raszl (WHO Regional Office for the Western Pacific), Dr Lusubilo Mwamakama (WHO Regional Office for Africa) and Dr Philippe Verger (WHO Regional Office for the Eastern Mediterranean), and under the leadership of Dr Luz Maria De-Regil, Unit Head of Multisectoral Action in Food Systems, Dr Francesco Branca, Director of Nutrition and Food Safety, and Dr Naoko Yamamoto, WHO Assistant Director-General of Healthier Population Division.

WHO is grateful to the members of the Technical Advisory Group on Food Safety for their sound advice and active engagement throughout the development of this strategy: Dr Paul Cook (Chair), Dr Amare Ayalew, Dr Sébastien Goux, Dr Sebastian Hielm, Dr Sunil Bakshi, Dr Anne Brisabois, Dr Mirian Bueno Almendarez, Mr Jambay Dorji, Ms Eva Edwards, Dr Nesrine Gharbi Gafsi, Dr Farahnaz Ghollasi, Ms Sally Johnston, Dr William R. Jones, Dr Dina Lithy, Dr Annie Locas, Dr Fadi Naser Al-Natour, Dr Antoinette Brigitte Ngandjio, Dr Jørgen Schlundt, Dr Rubeena Shaheen, Professor Mungi Sohn, Professor Elke Stedefeldt, Professor Hajime Toyofuku, Dr Dasep Wahidin and Dr Yongning Wu.

WHO would also like to express sincere gratitude to Professor Alan Reilly, who was commissioned to provide technical input in the development of this strategy, and to colleagues from the Food and Agriculture Organization of the United Nations (FAO) and the World Organisation for Animal Health (WOAH) for their active engagement and input throughout the strategy development process.

Lastly, the Department of Nutrition and Food Safety would like to extend its gratitude to those who provided comments during the consultative process that informed the preparation of this document, including representatives from Member States, United Nations agencies, non-profit organizations, private sector and individuals interested in food safety.

The World Health Organization is grateful for the financial support of the Governments of Japan and Sweden to develop this strategy.
