PARTICULAR COVENANTS

Section 5.01. (a) The Borrower shall cause the Project to be carried out with due diligence and efficiency and in conformity with sound engineering and financial practices.

(b) The Borrower shall at all times make available, promptly as needed, all sums which shall be required for the carrying out of the Project.

(c) Upon request from time to time by the Bank, the Borrower shall promptly furnish or cause to be furnished to the Bank the plans, specifications and work schedules for the Project including the Borrower's dredging program and any material modifications subsequently made therein, in such detail as the Bank shall request. Should it become necessary to make any substantial changes in the dredging program, the Borrower will consult with the Bank before these changes are made.

(d) The Borrower shall maintain or cause to be maintained records adequate to identify the goods financed out of the proceeds of the Loan, to disclose the use thereof in the Project, and to record the progress of the Project (including the cost thereof) and to reflect in accordance with consistently maintained sound accounting practices the operations and financial condition of the agency or agencies responsible for the carrying out of the Project or any part thereof; shall enable the Bank's representatives to inspect the Project, the goods and any relevant records and documents; and shall furnish to the Bank all such information as the Bank shall reasonably request concerning the expenditure of the proceeds of the Loan, the Project, and the goods, and the operations and financial condition of the agency or agencies of the Borrower responsible for the Project or any part thereof.

Section 5.02. The Borrower shall cause the goods purchased with the proceeds of the Loan to be efficiently operated and adequately maintained and shall cause all necessary repairs thereof to be made, all in accordance with sound engineering practices.

Section 5.03. (a) The Borrower and the Bank shall cooperate fully to assure that the purposes of the Loan will be accomplished. To that end, each of them shall furnish to the other all such information as it shall reasonably request with regard to the general status of the Loan. On the part of the Borrower, such information shall

include information with respect to financial and economic conditions in the territories of the Borrower and the international balance of payments position of the Borrower.

(b) The Borrower and the Bank shall from time to time exchange views through their representatives with regard to matters relating to the purposes of the Loan and the maintenance of the service thereof. The Borrower shall promptly inform the Bank of any condition which interferes with, or threatens to interfere with, the accomplishment of the purposes of the Loan or the maintenance of the service thereof.

(c) The Borrower shall afford all reasonable opportunity for accredited representatives of the Bank to visit any part of the territories of the Borrower for purposes related to the Loan.

Section 5.04. It is the mutual intention of the Borrower and the Bank that no other external debt shall enjoy any priority over the Loan by way of a lien on governmental assets. To that end, the Borrower undertakes that, except as the Bank otherwise agree, if any lien shall be created on any assets of the Borrower as security for any external debt, such lien will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds, and that in the creation of any such lien express provision will be made to that effect, provided, however, that the foregoing provisions of this Section shall not apply to : (i) any lien created on property at the time of purchase thereof, solely as security for the payment of the purchase price of such property ; (ii) any lien on commercial goods to secure a debt maturing not more than one year after the date on which it is originally incurred and to be paid out of the proceeds of sale of such commercial goods ; or (iii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

The term "assets of the Borrower" as used in this Section includes assets of the Borrower or of any of its political subdivisions or of any agency of the Borrower or of any such political subdivision, including Central Bank of the Philippines or any other institution performing the functions of a central bank.

Section 5.05. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid without deduction for, and free from, any taxes or fees imposed under the laws of the Borrower or laws in effect in its territories ; provided, however, that the provisions of this Section shall not apply to taxation of, or fees upon, payments under any Bond to a holder thereof other than the Bank when such Bond is beneficially owned by an individual or corporate resident of the Borrower.

Section 5.06. The Loan Agreement and the Bonds shall be free from any taxes or fees that shall be imposed under the laws of the Borrower or laws in effect in its territories on or in connection with the execution, issue, delivery or registration thereof
