No. 7759. COMMERCIAL AGREEMENT¹ BETWEEN THE KINGDOM OF GREECE AND THE EMPIRE OF ETHIOPIA. SIGNED AT ADDIS ABABA, ON 22 JUNE 1959

The Government of the Kingdom of Greece and the Government of His Imperial Majesty the Emperor of Ethiopia being desirous of strengthening the existing traditional ties of friendship between the two countries, with the aim of facilitating and developing commercial relations, have agreed as follows:

Article 1

The two contracting parties agree to grant reciprocally to each other most favoured nation treatment in respect of all customs duties and other taxes payable on imports and exports, the manner of payment of such duties and taxes, and all customs regulations and formalities.

Article 2

The provisions of Art. 1 shall not apply to: (a) privileges granted or which may later be granted, by one of the contracting parties to adjoining countries in order to facilitate frontier traffic, or to (b) advantages resulting from a customs union already concluded, or which may be concluded, by one of the contracting parties.

Article 3

The contracting parties agree, subject to their laws, commercial circumstances, and their foreign exchange position, to grant, on the basis of reciprocity, the most favourable treatment possible with regard to the grant of import and export licences for goods named in lists A/1, A/2 and B annexed to the present agreement.

Article 4

Lists A/1, A/2 and B represent goods which are seen as available for exchange at present in accordance with the terms of this agreement.

The lists are not exclusive except for those goods which are the subject of quota restrictions applied to foreign commerce. The lists shall remain in force for a period of one year and thereafter shall remain in force until modified by mutual agreement.
