SCIENTIFIC AND TECHNICAL CO-OPERATION AGREEMENT¹ BETWEEN THE KINGDOM OF SPAIN AND THE ARAB REPUBLIC OF EGYPT

The Government of the Kingdom of Spain and the Arab Republic of Egypt.

Desirous of strengthening friendly ties between the two countries;

Aware of the importance of Co-Operation in the fields of Science and technology to enhance their bilateral relations for their mutual benefit, the welfare and progress of their respective peoples;

Determined to effectively foster and promote scientific and technical Co-Operation between the two Countries, on the basis of respect for the principles of sovereignty, independence, and non-interference in internal affairs.

Have Agreed as follows :

ARTICLE I

All the programmes, specific projects and, scientific and technical Co-Operation activities that are carried out within the framework of this Agreement shall be decided by the bodies appointed under Article II by means of direct agreement among them and shall be implemented pursuant to the provisions of this Agreement .

ARTICLE II

The competent bodies of both parties shall according to their own domestic laws, Co-ordinate and schedule the activities envisaged under this Agreement and shall carry out the necessary procedures for this purpose.

On the part of Spain, these functions shall be assumed by the Ministry of Foreign Affairs through the Secretariat of State for International Co-Operation and Latin America .

¹ Came into force on 29 March 1993, the date on which the Parties informed each other (on 8 July 1991 and 29 March 1993) of the completion of the necessary legal procedures, in accordance with article XI.
