No. 120

Excellency:

I have the honor to refer to recent conversations and correspondence between representatives of our two Governments and to propose the official conclusion of the following understandings with respect to the assignment to Barbados of the men and women of the United States of America who volunteer to serve in the Peace Corps and who, at the request of the Barbados Government, will live and work for periods of time in Barbados.

This Agreement supersedes the Agreement entered into by the Government of Barbados and the Consul-General of the United States of America on July 15, 1965.

The Government of the United States will continue to furnish such Peace Corps volunteers as may be requested by the Government of Barbados and approved by the Govern-

The volunteers will work under the immediate supervision of Governmental or private organizations in Barbados designated by our two Governments. The Government of the United States will provide training to enable the volunteers to perform their agreed tasks in the most effective way.

The Government of Barbados will accord equitable treatment to the volunteers and their property; afford them full aid and protection including treatment no less favorable than that accorded generally to nationals of the United States residing in Barbados, and fully inform, consult and cooperate with representatives of the Government of the United States with respect to all matters concerning them. The Ministry of Foreign Affairs of Barbados shall be periodically informed of the names and addresses of the volunteers and of the programs to which they are assigned.

The Government of Barbados will exempt the volunteers from all taxes on payments which they receive to defray their living costs, and on income from sources outside Barbados, and from customs duties and taxes on their personal property introduced into Barbados within six months of their first arrival, and from all immigration fees and the airport surcharge. The foregoing privileges and exemptions are not extended to volunteers who are citizens or permanent residents of Barbados.

The Government of the United States will provide the volunteers with such limited amounts of equipment
