THE SECRETARY-GENERAL

Paris, 24th May, 1993

JCP/93.157

Dear Ambassador,

The Council of the Organisation for Economic Co-operation and Development has approved the request of the Republic of Korea to become a member of its Nuclear Energy Agency.

It is therefore my pleasure to invite the Republic of Korea to become a member of the Nuclear Energy Agency by agreeing to participate in the Decision establishing the Agency [The Statute of the Nuclear Energy Agency, OEEC/C(57)255, OECD/C(61)5, as amended] and to contribute to the expenditures of the Agency. The amount of this contribution would be established in accordance with the rules of the Organisation, in the normal fashion, after 1993. The initial contribution of the Republic of Korea would be 1.2% of the Agency's budget for that part of 1993 during which it is a member.

In connection with this invitation, the Organisation would appreciate being informed of the attitude of your Government regarding acceptance, with the same rights and obligations thereunder as a Member country, of the other relevant Acts of the Council in the field of nuclear energy, which have been provided for its consideration.

<sup>1</sup> Came into force on 24 May 1993, the date specified in the letter in reply, in accordance with the provisions of the said letters.
