LITHUANIA AND THE GOVERNMENT OF DENMARK CON-
CERNING THE ABOLITION OF VISAS

I

Your Excellency,

I have the honour to inform you that with a view to facilitate travelling between the Republic of Lithuania and Denmark the Government of the Republic of Lithuania is prepared to conclude with the Government of Denmark an Agreement on the following terms:

Agreement between the Republic of Lithuania
and Denmark concerning the abolition of visas

Article 1

Citizens of the Republic of Lithuania holding valid passport of the Republic of Lithuania shall be free to enter Denmark at any authorized border-crossing point and to stay in Denmark for a period not exceeding three months without being required to obtain a visa. This period of three months shall be calculated from the date of entry into any Nordic State being a Party of the Convention of July 12, 1957 on the Waiver of Passport Control at the Intra-Nordic Borders.² Any sojourn in any of those States during six months preceding the entry into any of those States from a non-Nordic State shall be included in the above period of three months.

Article 2

Danish citizens holding valid Danish passports shall be free to enter the Republic of Lithuania at any authorized border-crossing point and to stay in the Republic of Lithuania for a period not exceeding three months without being required to obtain a visa.

Article 3

It is understood that the waiver of the visa requirement does not exempt persons benefitting under this Agreement from the necessity of complying with the laws and regulations in force in the respective country concerning entry, residence - temporary or permanent - and work.

¹ Came into force by the exchange of letters, with effect from 1 September 1992, in accordance with the provisions of the said letters.
