**Memorandum of Understanding on Cooperation in the Fields of  
Agriculture and Fisheries between the  
Ministry of Agriculture Natural Resources and Environment of the  
Republic of Cyprus and the  
Ministry of Agriculture of the People's Republic of China**

The Ministry of Agriculture, Natural Resources and Environment of the Republic of Cyprus and the Ministry of Agriculture of the People's Republic of China (hereinafter referred to as the «Parties») shall encourage their institutions concerned by following their respective national laws and regulations, to have mutual benefit cooperation through exchange of experience and information in the fields of agriculture and fisheries.

Both Parties have reached the following agreement:

**Article I**

The parties shall make efforts to have exchange of personnel as well as scientific and technical cooperation between the official sectors and institutions concerned in accordance with their respective national laws and regulations and in particular relevant rules and regulations in the following areas of agriculture:

- Soil science and agro-ecology and environment protection
- Plant and animal genetic selection
- Integrated pest management and plant protection
- Improvement of field irrigation and mechanization techniques
- Agro-food processing technologies, quality and food safety
- Agro-economic and rural development, agricultural extension
- Veterinary services and laboratorial diagnosis and control of animal diseases

**Article II**

The Parties shall encourage and support the exchange and cooperation in the following areas of the fisheries between the official and private sectors in accordance with their respective national laws and regulations:

- Fisheries policies
- Aquaculture
- Processing technologies of aquatic products
- Exchange of information on science, technology and statistical studies

**Article III**

This Memorandum is subject to amendment through consultations between the Parties.
