2. If unforeseen increases in expenditures or commitments are expected or realized (whether owing to inflationary factors, fluctuation in exchange rates or unforeseen contingencies), UNDP shall submit to the Donor on a timely basis a supplementary estimate showing the further financing that will be necessary. The Donor shall use its best endeavours to obtain the additional funds required.

3. If the payments referred to in Article I, paragraph 1, above are not received in accordance with the payment schedule, or if the additional financing required in accordance with paragraph 2 above is not forthcoming from the Donor or other sources, the assistance to be provided to the project under this Agreement may be reduced, suspended or terminated by UNDP.

## **Article III. Administration and reporting**

#### **Article IV. Administrative and support services**

1. In accordance with the decisions and directives of UNDP's Executive Board reflected in its Policy on Cost Recovery from Other Resources, the Contribution shall be subject to cost recovery for indirect costs incurred by UNDP headquarters and country office structures in providing General Management Support (GMS) services. To cover these GMS costs, the contribution shall be charged a fee equal to 7%. Furthermore, as long as they are unequivocally linked to the specific project(s), all direct costs of implementation, including the costs of executing entity, will be identified in the project budget against a relevant budget line and borne by the project accordingly.

2. The aggregate of the amounts budgeted for the programme/project, together with the estimated costs of reimbursement of related support services, shall not exceed the total resources available to the project under this Agreement as well as funds which may be available to the project for project costs and for support costs under other sources of financing.

#### **Article V. Evaluation**

All UNDP programmes and projects are evaluated in accordance with UNDP Evaluation Policy. UNDP and the Governments of Bosnia and Herzegovina, Kosovo/UNMIK, Kazakhstan and Uzbekistan in consultation with other stakeholders will jointly agree on the purpose, use, timing, financing mechanisms and terms of reference for evaluating a project including an evaluation of its contribution to an outcome which is listed in the Evaluation Plan. UNDP shall commission the evaluation, and the evaluation exercise shall be carried out by external independent evaluators.

**Article VI. Equipment**

Ownership of equipment, supplies and other properties financed from the contribution shall vest in UNDP. Matters relating to the transfer of ownership by UNDP shall be determined in accordance with the relevant policies and procedures of UNDP.

**Article VII. Auditing**

The contribution shall be subject exclusively to the internal and external auditing procedures provided for in the financial regulations, rules and directives of UNDP. Should the biennial Audit Report of the Board of Auditors of UNDP to its governing body contain observations relevant to the contributions, such information shall be made available to the Donor.

**Article VIII. Completion of the Agreement**

1. UNDP shall notify the Donor when all activities relating to the project have been completed.
2. Notwithstanding the completion of the project, UNDP shall continue to hold unutilized payments until all commitments and liabilities incurred in the execution/implementation of the project have been satisfied and project activities brought to an orderly conclusion.
3. If the unutilized payments prove insufficient to meet such commitments and liabilities, UNDP shall notify the Donor and consult with the Donor on the manner in which such commitments and liabilities may be satisfied.
4. Any payments that remain unexpended after such commitments and liabilities have been satisfied shall be disposed of by UNDP with the written consent of the Donor.

**Article IX. Termination of the Agreement**

1. This Agreement may be terminated by UNDP or by the Donor, after consultations have taken place between the Donor, UNDP and the programme countries Governments, and provided that the payments already received are, together with other funds available to the project, sufficient to meet all commitments and liabilities incurred in the execution/implementation of the project. The Agreement shall cease to be in force 30 (thirty) days after either of the Parties have given notice in writing to the other Party of its decision to terminate the Agreement.
2. Notwithstanding termination of all or part of this Agreement, UNDP shall continue to hold unutilized payments until all commitments and liabilities incurred in the implementation of all or the part of the project, for which this Agreement has been terminated, have been satisfied and project activities brought to an orderly conclusion. If the second and third installments referred to in Article I, paragraph 1, above are not paid the Donor may terminate this Protocol without any limitation of time.
