**Agreement between the Kingdom of the Netherlands and the
European Organisation for the Safety of Air Navigation regarding
the registration of interns**

The Ministry of Foreign Affairs of the Kingdom of the Netherlands presents its compliments to the European Organisation for the Safety of Air Navigation (hereinafter also referred to as Eurocontrol) and, with reference to the Exchange of letters between the Government of the Kingdom of the Netherlands and the European Organisation for the Safety of Air Navigation "Eurocontrol" relating to the establishment of "Eurocontrol" in Beek (Limburg) of 31 October 1975 as well as to the consultations between the Ministry and Eurocontrol regarding the registration of interns who have been accepted by Eurocontrol into its internship programme in the Netherlands, has the honour to propose the following:

1. For the purpose of this Agreement, the following definition of an intern shall apply: A student, who has been accepted by Eurocontrol into the internship programme of Eurocontrol and who, on that basis, performs certain tasks for Eurocontrol for which he or she will receive a monthly allowance. This allowance should cover his or her living expenses. An intern shall in no case fall under the definition of an official of Eurocontrol.

2. Within eight (8) days after first arrival of an intern in the Netherlands, Eurocontrol shall request the Ministry of Foreign Affairs to register the intern in accordance with paragraph 3.

3. The Ministry of Foreign Affairs shall register an intern for the purpose of his internship with Eurocontrol for a maximum period of six months, provided that Eurocontrol supplies the Ministry of Foreign Affairs with a declaration signed by the intern, accompanied by adequate proof, to the effect that:

a) the intern entered the Netherlands in accordance with the applicable immigration procedures;

b) the intern has sufficient financial means for living expenses and for repatriation, as well as sufficient medical insurance (including coverage of costs of hospitalization for at least the duration of the internship plus one month) and third party liability insurance, and will not be a charge on the public purse of the Netherlands;

c) the intern will not work in the Netherlands during his or her internship otherwise than as an intern at Eurocontrol;

d) the intern will not bring any family members to reside with him or her in the Netherlands other than in accordance with the applicable immigration procedures;

e) the intern will leave the Netherlands within 14 days after the end of the internship unless he or she is otherwise entitled to stay in the Netherlands in accordance with the applicable immigration legislation.

4. Upon registration of the intern in accordance with paragraph 3, the Ministry of Foreign Affairs shall issue an identity card bearing the code ZF to the intern.

5. Eurocontrol shall not incur liability for damage resulting from non-fulfilment, by interns registered in accordance with paragraph 3, of the conditions of the declaration referred to in that paragraph.

6. Interns shall not enjoy any privileges or immunities.

7. In exceptional circumstances, the maximum period of six months mentioned in paragraph 3 may be extended once by a maximum period of six months.

8. Eurocontrol shall notify the Ministry of Foreign Affairs of the final departure of the intern from the Netherlands within eight (8) days after such departure, and shall at the same time return the intern's identity card.

If this proposal is acceptable to Eurocontrol, the Ministry suggests that this Note and the Eurocontrol's affirmative reply to it shall together constitute an Agreement between the Kingdom of the Netherlands and Eurocontrol, of which the French and English texts are equally authentic. This Agreement shall be applied provisionally as from the date of such reply and shall enter into force on the day after both Parties have notified each other in writing that the legal requirements for entry into force have been complied with.

The Ministry of Foreign Affairs of the Kingdom of the Netherlands avails itself of this opportunity to renew to Eurocontrol the assurances of its highest consideration.
