ARTICLE II

1. With respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of covered investments, each Party shall accord treatment no less favorable than that it accords, in like situations, to investments in its territory of its own nationals or companies (hereinafter "national treatment") or to investments in its territory of nationals or companies of a third country (hereinafter "most favored nation treatment"), whichever is most favorable (hereinafter "national and most favored nation treatment"). Each Party shall ensure that its state enterprises, in the provision of their goods or services, accord national and most favored nation treatment to covered investments.

2. (a) A Party may adopt or maintain exceptions to the obligations of paragraph 1 in the sectors or with respect to the matters specified in the Annex to this Treaty. In adopting such an exception, a Party may not require the divestment, in whole or in part, of covered investments existing at the time the exception becomes effective.

(b) The obligations of paragraph 1 do not apply to procedures provided in multilateral agreements concluded under the auspices of the World Intellectual Property Organization relating to the acquisition or maintenance of intellectual property rights.

3. (a) Each Party shall at all times accord to covered investments fair and equitable treatment and full protection and security, and shall in no case accord treatment less favorable than that required by international law.

(b) Neither Party shall in any way impair by unreasonable and discriminatory measures the management, conduct, operation, and sale or other disposition of covered investments.

4. Each Party shall provide effective means of asserting claims and enforcing rights with respect to covered investments.

5. Each Party shall ensure that its laws, regulations, administrative practices and procedures of general application, and adjudicatory decisions, that pertain to or affect covered investments are promptly published or otherwise made publicly available.

ARTICLE III

1. Neither Party shall expropriate or nationalize a covered investment either directly or indirectly through measures tantamount to expropriation or nationalization ("expropriation") except for a public purpose; in a non-discriminatory manner; upon payment of prompt, adequate and effective compensation; and in accordance with due process of law and the general principles of treatment provided for in Article II, paragraph 3.

2. Compensation shall be paid without delay; be equivalent to the fair market value of the expropriated investment immediately before the expropriatory action was taken ("the date of expropriation"); and be fully realizable and freely transferable. The fair market value shall not reflect any change in value occurring because the expropriatory action had become known before the date of expropriation.

3. If the fair market value is denominated in a freely usable currency, the compensation paid shall be no less than the fair market value on the date of expropriation, plus interest at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.

4. If the fair market value is denominated in a currency that is not freely usable, the compensation paid – converted into the currency of payment at the market rate of exchange prevailing on the date of payment – shall be no less than:

(a) the fair market value on the date of expropriation, converted into a freely usable currency at the market rate of exchange prevailing on that date, plus

(b) interest, at a commercially reasonable rate for that freely usable currency, accrued from the date of expropriation until the date of payment.

ARTICLE IV

1. Each Party shall accord national and most favored nation treatment to covered investments as regards any measure relating to losses that investments suffer in its territory owing to war or other armed conflict, revolution, state of national emergency, insurrection, civil disturbance, or similar events.

2. Each Party shall accord restitution, or pay compensation in accordance with paragraphs 2 through 4 of Article III, in the event that covered investments suffer losses in its territory, owing to war or other armed conflict, revolution, state of national emergency, insurrection, civil disturbance, or similar events, that result from:

(a) requisitioning of all or part of such investments by the Party's forces or authorities, or

(b) destruction of all or part of such investments by the Party's forces or authorities that was not required by the necessity of the situation.
