## GENERAL NOTES

1. In the event that the action taken by the President of the United States of America, by proclamation No. 3143 of June 25, 1956, is modified or terminated so as to result in lower rates of duty for any of the products described in item 1010 in Part I of Schedule XX (Geneva-1947) with respect to which the said action of June 25, 1956 was taken, the Government of the United States of America will consult promptly with the Governments of the Kingdom of Belgium (on behalf of the Belgo-Luxembourg Economic Union) and of the Kingdom of the Netherlands regarding any appropriate measures to be taken with respect to the concessions in this Schedule. If agreement is not reached, the Government of the United States of America, on 90 days' written notice to the CONTRACTING PARTIES to the General Agreement, may increase rates provided for in this Schedule to such extent as may be appropriate in the circumstances but in no case to a rate higher than the rate provided for the product involved in Schedule XX (Geneva-1947) on the date of the signature of this agreement.

2. Subject to the provisions of this agreement, to the pertinent provisions of the said General Agreement, and to the provisions of section 350 (a) (3) (C) of the Tariff Act of 1930, as now amended, the rates specified in the rate-columns in this Schedule will become effective as follows :

(a) Rates in column A will become initially effective on June 29, 1957, and rates in column B will become initially effective in each case upon the expiration of a full period of one year after the related rate in column A became initially effective.

(b) For the purposes of subparagraph (a) above, the phrase " full period of one year " means a period or periods aggregating one year exclusive of the time, after a rate becomes initially effective, when, by reason of legislation of the United States or action thereunder, a higher rate of duty is being applied.
